Town Shuts Down Cormier Gravel Pit For No Permit

By Sue Aucella Deacon

The Inspector of Buildings last week shut down gravel removal operations at one section of the Andover Country Club development because the developer has failed to take out a gravel removal permit for the work.

The selectmen authorized developer Yvon Cormier to remove approximately 477,000 cubic yards of earth material from the section located off Canterbury Street, with a vote taken on June 23.

That vote granted Cormier a special gravel removal permit which set more than 30 restrictions on the developer, to protect the interests of abutters and the town.

However, while the developer recently began hauling material off the site, he has not yet taken out the removal permit or paid the \$2,500 permit fee, Town Manager Jared S.A. Clark said Tuesday.

Clark said he realized that Cormier had not taken out the permit "back eight to ten weeks ago, but there had been no (removal) activity at the site, to the best

of my knowledge."

The manager met with Cormier once, telling the developer to take out the permit, and later asked Cormier "in writing" to take out the permit, Clark said.

When the developer failed to obtain the permit, Clark asked new Inspector of Buildings Sam DeSalvo to order the removal operations shut down at 8 a.m. Thursday, Oct. 16, the manager explained.

Cormier complied immediately, Clark said.

The manager said no further removal from the site will be allowed until Cormier receives the removal permit, and satisfies "all the terms and conditions" of the permit established by the selectmen.

"If the permit is not enforced," said the manager, "it would make a mockery of my recommendation to the selectmen to grant the permit, and of the town's efforts to protect the neighbors and cooperate with the developer."

Test Scores Show Andover Students 'Dramatically' High

By Linda S. Corbett

As far as achievement test scores are concerned, it's the same old story, another verse.

Andover school youngsters remained true to recent form this year, once again "dramatically" outscoring their counterparts across the nation.

According to results presented by Asst. Supt. Charles Mitsakos Tuesday night, all of the school system's averages on last May's tests were above the 81st percentile nationally, and 100 of 103 school system averages were above the 90th percentile.

Even more rewarding than the comparison with all school children, however, was a new measurement that compares Andover to other high socio-economic communities across the nation.

Andover pupils also out-scored their counterparts in other "HI SES" communities.

While admitting that "it's a great situation to be in," Supt. Kenneth R. Seifert indicated he would like to concentrate on some other areas "where we can add more meaning to this thing called education."

He said he personally would opt to spend much more time on activities that would apply what pupils have learned and relieve some of the pressure toward achievement that he has noticed even in the early

elementary grades.

The staff doesn't feel we can take more time for the more human aspects and still keep up the scores, he said. "That's one reason we don't have the number of assemblies we should."

Maybe, he suggested, "while we're up there we could have some more trade-offs."

Mitsakos noted that they had made some alterations this year and the "roof didn't fall in." There has been more effort, for example, in the areas of writing and speaking and fine arts, without

Returns to Star In 'Mame'

The Andover Community Theatre will present "Mame" on Nov. 6, 7 and 8, 8 p.m. at the Andover East Junior High School. Starring as Auntie Mame is Alva Houston.

Alva grew up in Andover, attended Shawsheen School and made her first appearance there playing in her own compositions at the age of eight. She also attended Puncard High School and sang her first solos there on the very same stage where "Mame" will be presented (East Junior High). At Abbot Academy she played Josephine in "Pinafore," Mabel in "Pirates of Penzance" and Yum Yum in the "Mikado." In the very first productions ever held with Abbot and Phillips combined talents - the Rev. William Sloan Coffin played the Admiral to her Josephine.

After Abbot she went as Mary Martin's protegee to Broadway with "One Touch of Venus" to tour with the show for one year, after which she married. She was offered the understudy to Mary Martin in "South Pacific," plus Hollywood contracts, but chose a family life. In the years when she was raising a family, she kept active in local community theater groups doing Noel Coward's "The Second Man" and others.

Later, with her three children grown, she attended the Peabody Conservatory appearing with their opera company in leading roles including "The Medium" and received a full scholarship there. She has had the privilege of doing a major role with the Baltimore Civic Opera. Alva has coached under the famous opera star Rosa Ponselle and has appeared in concert many times in religious works such as the "Messiah" and Mozart's Requiem. She has also appeared in leading roles at the

Prop. 2½ Letter Forthcoming

The school committee Tuesday night reviewed a draft of a letter that will be sent home to parents regarding Proposition 2½ on the Nov. 4 ballot. The letter will note that Andover's school budget will be cut by \$1,750,000, from a base of \$13 million, if 2½ passes, and will include information on how those cuts would affect the system, leaving parents to make their own decision about how to vote.

The committee itself won't be

glued to election night returns until late; their next scheduled meeting is Tuesday, Nov. 4, at 7:30 p.m. in the West Elementary School Auditorium.

Nov. 4 has been scheduled as an in-service teaching day, so there will be no school throughout the system. The change was made to relieve congestion at Andover High, the town's central polling place.

Clark Is Association Director

Jared S.A. Clark of Andover has been elected to the board of directors of the Massachusetts Municipal Association.

Clark, who was previously city manager of Dover, N.H., has been serving as town manager here since 1978. He is a member of the MMA Tax Policy Study Commission. As a member of the board of directors of the MMA, he will also serve on the Local Government Advisory Committee which meets monthly with the Governor to discuss municipal problems and

programs.

The MMA is a permanent coalition of separate municipal organizations of mayors, managers, selectmen, councillors and finance committee members which forms a single, major lobbying force representing approximately 322 cities and towns before the state's legislative and executive branches. The MMA also provides a data base of municipal information and research, sponsoring conferences and field training for municipal officials.

Revaluation Workers Move Toward West

Crews from PRC Jacobs Co., doing the revaluation work in the town, will be moving into the West Andover area in full swing during the next week.

Project Supervisor Eugene Tworek said this week that the workers are finishing up in the Dascomb, Lovejoy Road areas and

in the Indian Ridge development, then will be moving onto Lowell Street toward the Cutler Road area.

By early next week, the crews should be in the North Street and River Road section of the town and working the general area west of Route 93.

Building Committee Meets Tonight

The school building committee will meet in regular session tonight at 7:30 in the conference room at the Town House.

Among items on the agenda will be a review of construction schedules as proposed by the architects.

Prop. 2½ Debate Tonight

A debate featuring Andover Rep. Gerald Cohen and Atty. Gregory Hyatt on Proposition 2½, a tax limitation proposal on the Nov. 4 ballot, will be held tonight at 7:30 p.m. at the West Junior High Auditorium.

Atty. Kenneth Hyde, Jr., of Methuen, will be the moderator for

the debate which will allow questions from the public. Rep. Cohen, chairman of the House Committee on Taxation, will present opposition and Atty. Hyatt, former executive director of Citizens for Limited Taxation, will present the advocates side.

Baroque Concert At Academy

The music department of Phillips Academy will present a program of Bach Arias for soprano and various instruments this Sunday, Oct. 26, at 3 p.m. in the Addison Gallery.

Performing will be Margaret Johnson, soprano, Peggy Pearson, Oboe, Peter Johnson, flute, Mimi Bravar, viola, William Thomas, cello, and Carolyn Skelton, harpsichord.

Margaret Johnson, on the faculty of Bridgewater State College, sings regularly in the Boston area with the Cantata Singers and at Emmanuel Church.

Peggy Pearson, wellknown in the Boston area, performs regularly with the Cantata

Singers, at King's Chapel, and with the Ariel Chamber Ensemble.

Peter Johnson has played regularly in the Boston area. He studied flute with Michael Menonne at Wesleyan University.

Mimi Bravar, Carolyn Skelton, and William Thomas are members of the music faculty at P.A. Mrs. Bravar is currently instructor of violin and viola and directs the academy chorus. Mrs. Skelton is the academy's instructor in harpsichord and organ and holds the position of school organist. Thomas directs the orchestra and is currently chairman of the department.

There is no charge for admission, and the public is invited to attend.

Haunted House Planned

The Andover Department of Community Services will be sponsoring a Haunted House on Thursday, Oct. 30, 7-9 p.m. at the Stowe School on Bartlet Street.

The darkened building will host numerous beasts and goblins who will prey on anyone who dares to enter its doors.

A small admission fee will be charged at the door.

Shakespeare In Store

The Boston Shakespeare Company takes you from "page to stage!" Saturday, Oct. 25, at Barnes and Noble Bookstore in downtown Boston.

From noon until 3 p.m., the Boston Shakespeare Company will perform inside the store. It promises to be an outrageous afternoon of comedy, drama, and improvisation, reminiscent of Elizabethan England, when actors always performed in the public market place.

Town Meeting To Get Turner Farm Plan

5 THE TOWNSMAN, OCTOBER 23, 1980

The selectmen will present a plan for the town to help preserve the Turner Farm by purchasing the development rights along with the state to the annual town meeting.

The selectmen voted to present the proposal to town meeting, subject to the defeat of Proposition 24, at the request of Richard Lundgren of 18 Elm St.

But the board will take no stand on the proposal until it has more information on how much it would cost the town to acquire half the development rights to the farmland.

Current estimates place that cost at \$100,000 to \$150,000.

Lundgren, who owns and operates Village Landscaping in Andover, has an option to buy the land from current owner Harvey Turner, Jr. The landscaper would like to replant the farm's apple orchard, build a new road into the orchard, operate a farm stand and build a home on the land.

Under the state's agricultural preservation restrictions act, the state and the town could each purchase half the development rights to the farm, to insure that it would remain a farm.

"It would be a straight business transaction," Conservation Commission Chair-

man Robert Pustell explained to the selectmen last week. "It would have no impact or commitment to anything further in the community. It would simply mean that it would be impossible for anybody to develop Turner Farm as anything other than a farm."

The development rights would cost the state and town \$100,000 to \$150,000 each, while Lundgren would then purchase the 32-acre farm for approximately \$50,000.

The farm is currently valued at an estimated \$300,000.

however, the value of the farm is still in question because it has not been appraised since the town's wetlands laws were enacted.

Dina Hammond of the Conservation Commission told the selectmen the state has been reluctant to have the land appraised until they received a sign of "good faith" from the town — in the form of financial support for the plan.

Pustell suggested that the state may accept the board's vote to present the article to town meeting as a sufficient indication of good faith.

"There is no way we can appropriate the money anyway, without town meeting ap-

Allis To Address Historians

Frederick S. Allis Jr., for many years an Andover resident and chairman of the history department at Phillips Academy, will be the speaker at the meeting of the Andover Historical Society tonight at 8 p.m. in the Amos Blanchard House, 97 Main St.

Allis will discuss the Federalists at the session which is open to the public.

Allis is the author of several books, one of which, 'Government By Opposition,' is a study of party politics in the 1790's.

Volunteers Needed At Y

The Andover-North Andover Y.M.C.A. is looking for volunteers. That, in itself, is nothing new. From its beginning volunteers have been the backbone of the Y.M.C.A. What is exciting is the number of challenging opportunities open to volunteers in the "Y".

"Serving as a volunteer can lead to the acquisition of new skills, new interests, even a new career" says Barbara DeNitto, coordinator of volunteers at the Andover-North Andover Y.M.C.A.

Much has been said about the value of the help volunteers provide for the people they serve. Much has been said also about the intangible satisfactions gained by volunteers in working with others. But, too little has been said about the practical ways in which volunteers themselves benefit. Leadership training is probably one of the most important aspects of voluntarism. Learning to plan a schedule of activities, organizing and motivating groups, running meetings, helping to bring out the potential in others are all invaluable skills for anyone to learn, no matter what career one is involved in or

considering.

Volunteers have been an integral part of the Andover-North Andover Y.M.C.A. since it first opened its door in September of 1967. Today they are needed more than ever. The "Y" would like volunteers to represent the whole spectrum of the community. To accomplish this they are looking for all kinds of people — young and old, men and women to assist in teaching preschool, youth and adult classes in crafts, aquatics, gymnastics, etc.; to be members of the board or committees; to assist the office staff as clerks, typists,

receptionists, etc.

To find out how to become a volunteer, call or drop in the "Y" itself.

Hargan Promoted To Professor

Six members of the faculty at Northern Essex Community College, Haverhill, have been promoted from associate professor to full professor, according to President John R. Dimitry.

They include Donald Horgan of Andover, business administration; Linda Krauss of Boxford, English; Marjory Martin, English; Michael Pelletier of Salem, engineering and technical; Katherine Richards of Rowley, office and business education; and Robert Sacchetti of Lawrence, engineering.

On the faculty at Northern Essex for the past 14 years, Horgan has been a member of the Business Administration and Computer Science Departments. He has served as chairman of the former since 1978. Prior to his association at the college, he taught at several high schools and also worked as an insurance underwriter in Boston.

A graduate of Milligan College, Horgan

earned his M.Ed. degree from Salem State College. He has also done graduate work at Boston State College, Youngstown University and Northeastern University.

A native of Lynn, he now resides in Andover with his wife, Susan, and their four children.

BILL SAWYER

**on Research and
Development**

**Too busy making ends meet to
think about the Future?
Well, Bill Sawyer is thinking
about the future
and that's what leadership
is all about.**

Research and Development - Vital for the Country

Bill Sawyer says, "We need a return to the spirit of innovation that built the greatest economy in the world. We need a reemphasis on research and development both by the government and by industry. We need tax reform, that includes: credits for research and development and increased depreciation allowances - to encourage the development of these new ideas and reinvestment in the new machinery and equipment that will result." Increased productivity - a growing economy - more goods to defeat inflation - new jobs.

And Great for Jobs and Prosperity in the Fifth District

Bill Sawyer says, "Such a program will be especially good for the Fifth District. We have no natural resources but we are part of the greatest technological base in the world. A renewal of research and development in this country will tend to concentrate here, and bring with it jobs, the new companies, and the greatest prosperity we have known."

**Bill Sawyer says, "We must
build for the future if we are to
have the future we want."**

Le Grand David

Magic Becomes Theatre

Where did that man go?" asked the puzzled 2½ year old, posing the very question on the minds of hundreds of others watching a recent show at the Cabot Street Cinema Theater. "Oh, ah, he's in the box, I think," said the child's companion. "Or is he in that box over there..."

Such is the beauty of magic. It entertains and mystifies. And on Sunday, Nov. 9, the Department of Community Services will visit Beverly to see Le Grand David and His Own Spectacular Magic Company's 2½ hour performance where both the young and the old will be taken on a magical mystery tour.

The Magic Company is a labor of love for more than 60 North Shore people. The group organized in 1977, bought the 800 seat Cabot Theatre, refurbished the 1920 structure and began their magic shows. The production has been going strong ever since, bringing a European blend of magic, singing and dancing to American audiences accustomed to getting their entertainment on a 25-inch picture tube.

The Magic Company people like to say that the magic starts the minute the doors of the Cabot are opened by tuxedo-clad doormen. Visitors pass through the month of a green dragon as Tassles the Clown acts as official greeter. There's a puppet show in the lobby prior to the performances.

Jugglers and clowns abound, entertaining the kids and picking up stray

pieces of paper and popcorn to keep the theatre spotless. There's even a player piano in the lobby named Rita.

Then there's the show: The lights go down, the ancient fire curtain is raised and a mysterious green smoke shrouds the stage. As trumpeters blast a tune, down the stage ramp comes dancers, jugglers, gorillas, a 7-foot clown and animals of all types. The enter the magicians, 8-year old Seth the Sensational (Seth Bartlett), "Le Grand David" (David Bull) and "Marco the Magi" (Cesareo Pelaez), the patriarch of the Company and, in the minds of many magicians, one of the best around today. A total of 68 people, including youngsters, take part.

The show is a glimpse into unreality.

Magicians are cut in half and float in thin air. Ducks appear and disappear. A 20-foot dragon makes his (or her) way down the aisles. Marco amazes the audience by entering a box on stage one minute... and walking down the Cabot aisles the next, innocently asking the audience where the magician could have gone. There's even a comedian — Professor Besco, the Inspector Clouseau of magic — who acts as comic observer for most of the illusions and performs his own slapstick magic routines to the delight of the kids.

Health Occupation Testing

Persons interested in preparing for a career as a practical nurse, medical assistant or operating room technician in one academic year, can apply now at the Essex Agricultural and Technical Institute for the September '81 class. Testing sessions have been scheduled for Saturday Nov. 15 and Dec. 6.

These post-secondary level programs provide an opportunity for persons of all ages to enter in a short space of time a career field where job opportunities are plentiful and rewarding.

To request an application and enrollment details call or write the Admissions office at the school.

Gravel

(Continued from Page One)

Clark noted that the developer "stands a great deal to lose by not complying with the conditions of the permit." He explained that town boards have approved Cormier's subdivision plans and sewer permits, which can not be implemented unless earth material is removed from the site.

Other work on the site, such as grading and covering exposed areas, may continue, the manager said.

Emphasizing that Cormier had been given "an adequate opportunity to comply with the terms and conditions of the permit," Clark added that "if this is an example of the cooperation we will receive from the developer, everything will come to a grinding halt" at the country club site.

Cormier has received planning board approval to begin work on only one section of the seven-section, 360-acre country club parcel. An estimated 1,760,000 cubic yards of earth material is scheduled to be removed from five sections.

Eventually the development will include more than 270 houses, with the country club golf course permanently preserved, according to Cormier's plans.

The developer's request to remove gravel from section one was strongly opposed by abutters last spring.

Requests to remove gravel from the remaining four sections will eventually be brought before the selectmen for additional removal permits, after Cormier's definitive plans for the sections receive planning board approval.

Test Scores

(Continued from Page One)

negatively affecting the scores in basic skills.

Committeeman Joseph Finn said that in many communities, these kinds of scores would cause people to stand up and cheer the staff and administration.

"But we have grown to expect them," he said.

Mitsakos said that a hearing on the test scores has not been scheduled because of poor attendance last year. But, he said, a book of test results is available at Memorial Hall Library, and he indicated the administration would be happy to talk with "anyone, any time, anywhere."

He said the same tests will be given this year — CIRCUS to Grades 1 and 2 and Step and SCAT to the older pupils. There will be a slight change in time, with the tests coming the first week in April, before vacation, so the results can be known by mid-May.

Last spring the tests were given after the spring break, and the results came too late to allow much follow-up before school was out.

Mitsakos said that a breakdown of sub

tests, school by school and grade by grade, shows little variability in achievement from one part of town to another.

Each school, however, is being asked to take a close look at each pupil's scores, particularly to catch anything "suspicious," such as a pupil who scores better on the tests than his classroom performance would indicate, and vice versa.

Item-by-item test analysis will also point up any curriculum areas a school might need to examine more closely.

There was good news for Andover on the

Scholastic Aptitude Tests too.

Mitsakos presented graphs that showed Andover's mean verbal scores on the SAT's staying the same, 453 in both 1979 and 1980, while mean scores elsewhere declined. Andover's 453 compared favorably to 424 nationally, 426 in New England, 423 in Massachusetts and 434 in other "residential suburbs" in the state.

Andover's math scores went up from 499 in 1979 to 509 in 1980, compared to 466 nationally and in New England, 464 in Massachusetts and 485 for other

Massachusetts HI SES suburbs.

He said a total of 386 students, or 83 percent of the senior class, took the tests, and 90 percent of those went on to continue their education.

Seifert said he felt the verbal scores should be better than they are, but added that he felt they were "very respectable" considering that Andover loses a large percentage of "very able" students to private schools, a higher percentage than other comparable communities across the nation lose.

Pingree Evening

Pingree students John Lyons, North Andover, and Anne Higgins, Andover, discuss plans with Mrs. Nicholas Reynolds, Andover, for a Pingree School evening coffee to be held Nov. 3, 7 p.m., at the home of Mr. and Mrs. Joseph Pellegrino, 370 Great Pond Road, North Andover. John is a graduate of St. Michaels School, North Andover; Anne attended The Pike School, Andover.

To Present Pingree

The Pingree School, South Hamilton, will sponsor an evening coffee for prospective students and their families from the Andover area on Nov. 3 at 7 p.m. at the home of Mr. and Mrs. Joseph P. Pellegrino, 370 Great Pond Road, North Andover. All families with eighth to tenth grade students currently in public or private schools are cordially invited to attend.

Mr. Richard Kennedy, assistant headmaster and director of admissions, faculty representatives and Pingree students will discuss the many assets of a private school education, show slides and answer questions.

Pingree is a college preparatory, co-educational day school founded in 1961.

With a full complement of 220 students, the average class has 12 students. Advance placement courses are offered in all fields.

Among the students attending Pingree from the Andover area are: Jessica Balboni, Matthew Deyo, Susan Diamantas, Jennifer Price, Gary Rowe, Kristen Webster, Darlene Coppola, Claudia Davis, Daniel Driscoll, Linda Hager, Carole Ann Lange, John Simpson, Brendan Deyo, Anne Higgins, Mark Mitchell, Kurt Niziak, Rebecca Reynolds, Thomas Stark, Nathalie Bosson, Ruth Ann Lange, John Lyons, Jennifer Morton, Nancy Schena, Scott Simpson, Kim Suozzo.

For further information, call Mrs. Pellegrino or the Pingree School.

Outing Club Concludes Successful Fall Program

The West Junior High School Outing Club's fall program came to an end on Saturday evening, Oct. 18, with a pool party at the Andover-North Andover YMCA.

This final activity began with a free swim and concluded with various swimming events.

Winners of the swimming competition included Torrie Fitzpatrick - free-style; Beth Deacon - dog paddle; Torrie Fitzpatrick - submarine; Bryan Poisson, David R. Cox, Tim Donovan and Heather Paro - four-man relay; Bryan Poisson and Hope Magerison - cannonball; Larry Prestia, Lisa Milora and Elizabeth Pastor - diving; and Bryan Poisson and Lisa Haley - most original bathing suit.

Other members participating were Meredith McCracken, Kim McGinley, Laura Cervone, Gail Burke, Lauren Quinlan, Angie VanDerWielen, Buffy Kaplan, Donna Dubanowitz, Jeff Robertson, Patrick Stenson, Melissa Marquis, and Kristen Robertson. The group was supervised by Brian Staples and Les Taylor, two of the club's faculty advisors.

The Outing Club's October activities began with a canoe trip along the scenic Ipswich River through the Mass. Audubon Wildlife Sanctuary and the Wenham Swamp. Successful "paddlers" were Michelle Keller, Jeff Robertson, Leah Lury, Russell Henderson, Christina

O'Hearne, Angie VanDerWieler, Hope Magerison, Larry Prestia, Chris Dorsey, Kim Dyer, Lisa Pruchansky, John Tomlinson, Nancy Howard and Gail Burke.

The second activity of the month was a visit to the Goodale Orchard in Ipswich to pick apples. "Pickers" who returned with at least five pounds of delicious, fresh-picked apples were Karen Travers, Alison Reghitto, Leah Lury, Angie VanDerWielen, Michelle Keller, Kristen Robinson, Donna Dubanowitz, Matthew Hampl, Sue Jennings, Robin Rothburg and Mia Calevro.

The month's third activity was fall beachcombing at Plum Island. However, the trip, which was to include dune exploring, sand castle building, kite-flying, and a beach bar-b-que, had to be postponed because of inclement weather. Scheduled participants would have been Lauren Quinlan, Hope Magerison, Laura Cervone, Arlene Ciaccia, Russell Henderson, Maura Dunn, Kim McGinley, Patrick Stenson, Michelle Poisson, Kathy Mulvey, Carolyn Viscosi, Matthew Hampl, Andrew Schulz, Jill Vickers, Chris Dorsey and Mia Calevro.

John J. Darrin, Brian Staples and Lester Taylor, the club's faculty advisors, agree that "this has been the most successful start for the Outing Club. Since September, membership has risen to over 100 students, enthusiasm has remained high, and we've enjoyed working with the excellent group of seventh, eighth and ninth graders who have elected to join this year. Hopefully, they will continue their

interest in the out-of-doors." A full spring program is also planned.

Awarded Fellowship At Dartmouth

Martha L. Viehmann of Andover was recently awarded a Tucker Fellowship by the William Jewett Tucker Foundation at Dartmouth College.

The Tucker Fellowship Program allows Dartmouth students to apprentice themselves to a professional, an agency, or an organization engaged in constructive social change. The focus of the program is to provide both an opportunity for the student to render service and a context for value examination and personal growth.

The Tucker Foundation was created by the trustees as an independent endowment of the college to further the moral and spiritual work and influence of the Dartmouth community.

Miss Viehman is the daughter of Mr. and Mrs. Norman J. Viehmann of 35 Lucerne Drive. A sophomore at the college, she was elected to the Common Ground Governing Board in the winter of 1980. That winter, she also received a citation for outstanding academic achievement in Native American Studies 34.

Englishmen were taxed from 1697 to 1851 for all windows in their houses over the number of six.

Halloween Sleepover At YMCA

The Greater Lawrence YMCA will be having a Halloween Sleepover Oct. 31. The program is open to girls and boys 7 to 13, and non-members are welcome.

Children will arrive at 6 p.m. Friday, Oct. 31, and may be picked up at 9 a.m. Saturday. Activities will include a costume parade Friday evening at 6:30 p.m. followed by other games. A movie, swimming, midnight snack and breakfast on Saturday morning.

Registrations are being accepted now and are limited. For further information contact the Lawrence YMCA.

Postage stamps which have stuck together will come apart more easily after 15 minutes in the freezer.

This week has been declared United Nations week by the selectmen, and Andover High School is actively participating. Oct. 24 will be the 35th year that the United Nations has been in existence. The purpose of this week of celebration is to help the students of Andover High School become more aware of the role this organization plays in today's world, of its triumphs in the past, and of its expectations for the future.

The anniversary of the founding of the United Nations is organized annually by the United States Association for the United Nations. It is a private organization that supports the U.N. and helps people to realize the important role it plays in international crises and decisions.

Patricia Dye, town chairperson for this project, a teacher at Andover High, is coordinating the many activities. Hartley Peaks and Kathleen Zalla are the two teachers who are organizing the high school's participation; they are developing activities that teachers can use in their classes.

Many groups at Andover High School are involved in this program. The art classes have created posters, which are now being displayed at the Andover Savings Bank. Special English and Social Studies will be conducted to inform students of what is to be discussed in this year's sessions.

Also, Andover High School will send three delegations representing the countries of Sweden, Syria and Thailand to the Model United Nations Program in Boston, which is being sponsored by Harvard

University. These same students are preparing programs for the junior highs and elementary schools. There they will perform skits for the fifth and sixth graders, and then conduct small group discussions. The goal of this program is to in-

form every student in the school system of where the United Nations has been and where it is going. Even the high school cafeteria is getting into the act with an international menu: foods are being named according to their country of origin.

Silent Auction At School

On Thursday, Nov. 6, St. Augustine's School will again hold its annual silent auction. The auction will begin at 7 p.m. in the school hall.

The auction has grown each year in size and popularity as people enjoy themselves and take home treasured items and bargains. In addition to the auctioned items, there will be specials to be awarded. There will be a country store again, featuring preserves, baked goods, candy, and other delicious foods.

Chairmen for this event are Maxine Grogan and Marcia Nix.

Pumpkin Sale At Bancroft

On Friday Oct. 24 at 11:30-12:45 and at 2:30 p.m. Bancroft 5th and 6th loft students will sponsor a pumpkin sale. The proceeds from the sale will help defray the cost of an environmental field trip.

The pumpkins will be weighed, measured, priced by the students in order to utilize their math skills in a practical situation.

Parents and friends are invited to come and choose from the large selection available.

Horses were first tamed in Asia some 10,000 years ago, historians say.

Family Festival Organizers

Co-chairman Jim O'Day and his family did a fantastic job of organizing the refreshment stand at the first Family Festival Weekend held at the Academy of Notre Dame, Tyngsboro, last weekend. Jim and a group of volunteer fathers planned and implemented the two-day festival for the elementary school at the academy. Helping Jim serve over 600 people were his daughter Anna, a fifth grade student at the academy, his wife Kathleen, daughter Michelina, a sophomore at the academy, and son Tom.

Pack 100 Holds Mock Election

The Cub Scouts of Pack 100 held the first of their monthly meetings last Thursday night at Sanborn School and officially began the scouting year. Opening ceremonies were conducted by the Webelos and Cubmaster Dave Workman introduced the new pack committee. Bert Batchelder of Moor and Mountain in Andover demonstrated and discussed hiking and backpacking equipment for the scouts and their parents. The scouts held a mock presidential election. Congressman John Anderson winning

with 41 percent of the votes. Governor Ronald Reagan received 35 percent of the vote and President Carter, 23 percent.

One scout from each den gave a report of den activities and coming events for the scouts were discussed by John Wood. A family hike through the Goldsmith Reservation and a father-son day at Camp Wakonda in Boxford are planned.

A paper airplane flying contest was won by Webelo David Sampson, and the meeting was closed with the scouts singing Taps around a "campfire" of candles.

The next Pack meeting will be held Nov. 20 at Sanborn School.

Honored At Bancroft

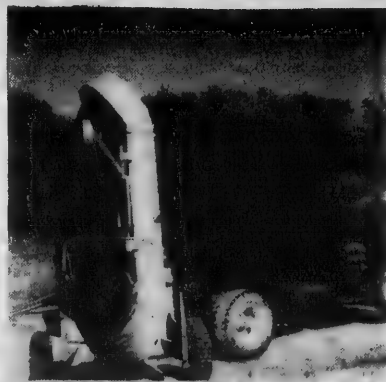

Ten students have been named members of the Bancroft Nobility as outstanding in achieving the school goal of respect for people and property.

They are: Betsy Lee, kindergarten; Andrew Brown, readiness; Mark Jones, Loft 1; Jennifer Butt, Loft 2; Gillian Kiley, Loft 3; Tres Fromme, Loft 4; Eddie Chateaufort, Loft 5; Charles Faust, Loft 6; Michael Aponick, Special Class (Mrs. Sfaraz) and Kelly Minor, Special Class (Ms. Wilde).

East Junior High Happenings

19
THE TOWNSMAN, OCTOBER 23, 1980

By Leigh Cypres, Diane Jurgen, Carol Casey, Lisa Boudreau

East Junior High's student council has been kept very busy these past few weeks. The school store opened. Presently it sells tonics and various candies. In another week school supplies will be added. Along with the school store, the council sold East Junior High t-shirts and football jersey. Faculty advisor for this project is Kenneth Pellerin.

Coordinators for the Friendly Visitor program here at East have been named. They are Lisa Boudreau, John Drake,

Awarded Scholarships At No. Essex

Three Andover residents have received the Jarvis and Faculty Association Scholarships at Northern Essex Community College, Haverhill, President John R. Dimitry announced recently.

Eric Karl Runge and Judith E. McConkey were awarded the Jarvis Scholarships. Runge received the scholarship for outstanding performance in English, while McConkey was honored for her general academic excellence.

Pamela M. Traill was among five recipients of the Faculty Association Scholarships, which are awarded on the basis of academic achievement, faculty recommendation and the student's contributions to the college and community at large. In the case where applicants are equally meritorious, consideration is given to financial need.

Beth Tracey, Peter MacDonald and Elise Richards.

The Improvements Committee has organized three on-going projects. Bathroom monitors will work with the principal, A. Eugene Frulla, to check the rooms periodically to cut down vandalism. Committee members include Dawn Aikman, Liz Thomann and Mike Donlan. David Starensier and Larry Cuddy are in charge of a committee that will look into installing mirrors in the rooms that need them. The third project is a teacher-aide program whereby students on the student council will help teachers when needed. Donna Russell and Greg Hopwood are organizing this program.

In the past, East has had very successful math teams and it looks like this year will be no exception. The team is part of the Eastern Mass. Intermediate Math League and have meets scheduled with Chelmsford-Parker, Chelmsford-McCathy, Tewksbury and North Reading. The meets consist of a 10-minute test with three questions from the following categories: number theory, metric geometry, number sentences, arithmetic computation, algebra and miscellaneous.

The team is open to all 7, 8 and 9 graders and consists of 10 members plus alternates. The team is an opportunity for math students to use the mathematical skills in challenging problems. Members of this year's team include: Marie Sapienza, Floyd Greenwood, Laurie MacDonald, Kelly Edwards, Karen Romito, Chris Liou, Maureen O'Brien, Julie Barbagallo, Beth Siudut, Hilary Feier, Kathy Batles, Jeff Vogel, Tom Novelline, Kim Olsen, Kristen Harol, Peter MacDonald, Diana Hulsey, David Sullivan, Peter Devney, Dawk Aikman, Alex Niedzwiecki, and Kevin Flynn. The faculty advisor is Gary

Shapiro.

Patricia Leahy of East's faculty. Miss Judith Rickley, the faculty advisor, has work on this year's edition. This week pictures of all students in ninth grade Aikman have been elected as editors of this year's yearbook.

Ira Gold, right, son of Bernard and Cynthia Gold, Partridge Hill, is welcomed to Northeastern University by Philip McCabe, left, dean of admissions, during freshman orientation week. Gold has enrolled in the College of Business Administration. A 1980 graduate of Andover High School, he was a member of the football and track teams.

Attending Mt. Holyoke

Carol Linnea Beninati of Andover recently began her freshman year at Mount Holyoke College located in South Hadley. Selected from one of the largest applicant groups in the history of the college for women, the Class of 1984 numbers 505 students from 38 states and 15 foreign countries.

Ms. Beninati attended Andover High School from September 1977 through June 1980. Her activities there included participation in numerous choral groups and membership in the drama club and the National Honor Society. She was the entertainment editor of the school newspaper, and won awards for her achievements in music, drama, and French. She also won a prize in the Bernard English Contest, and she was awarded a scholarship by the Trustees of the Punchard Free School.

Ms. Beninati is the daughter of Mr. and Mrs. A. George Beninati. The Beninati family resides on Whispering Pines, in Andover.

Career Series At High School

As a new service to students this year, the Guidance Department at Andover High School is introducing a series of career weeks which will include career fields of the highest interest to Andover students.

Girl Scout Group To Meet

Shawsheen Valley Association and Neighborhood of Girl Scouts will meet Monday evening, Oct. 27, at 7:30 p.m., at South Church in Andover. During the evening, investiture will be held for all newly registered adults. Included among these will be Lynn Nakasone, leader of the most recently organized troop in Andover. The troop is Junior level and will be meeting at Shawsheen School. Latest statistics for the neighborhood list 21 troops for Andover and 16 for North Andover.

The association meeting occurring the same evening will elect nine Council Delegates who help set policy for the Spar and Spindle Girl Scout Council, Inc.

Dana Hall

Dana Hall in Wellesley is celebrating its Centennial this year. Founded in 1881 as one of the first college preparatory schools for girls, it presently enrolls 445 girls from 24 states and 26 foreign countries in grades 7 through 12.

The first career week will highlight the medical and allied health fields and will take place during the week of Oct. 27-31. The general activities and services hoped to be offered include: guest speakers from within the field to talk about specific career characteristics, requirements and job opportunities; college personnel to speak on high school and college prepara-

tion and programs within the field; audio-visual and resource materials on display throughout the school, and particularly in the Guidance Multipurpose Room; and additional emphasis within related and appropriate school classes.

Parents and students are welcomed to attend these conferences.

Christmas Bazaar

The Immaculate Conception School in Lowell is holding a Christmas Bazaar in the school hall Saturday, Nov. 8, from 10 a.m. to 6 p.m. It will feature crafts, ceramics, children's items, food, bakery items, raffles and pictures with Santa.

Today, soldiers in the U. S. Army can talk with other soldiers as far away as 10,000 miles, using a small satellite communications radio.

We want you to be the First to know.

On November 1, Essex Broadway is changing its name to First Essex Savings Bank.

In Recital Friday At Gallery

Robert Weirich

The music department of Phillips Academy will present a piano recital this Friday, Oct. 24, at 7 p.m. in the Addison Gallery.

Performing on Friday evening will be Robert Weirich. Weirich received his formal training at the Oberlin Conservatory of Music and the Yale University School of Music. His teachers include Emil Danenberg, Donald Currier, and Claude Frank.

Weirich has performed throughout the United States and Canada. His recitals have been warmly received in such musical centers as New York, Chicago, Minneapolis, Houston, and San Francisco. He has performed many times with noted soprano Phyllis Curtin, including a recital at the Tanglewood Festival which was called "one of the highlights of the season." His playing has taken him twice to the White House: during the Ford Administration when he and Miss Curtin

entertained following a State Dinner, and most recently as a winner in the Kennedy Center/Rockefeller Foundation International Competition when he was congratulated by the President and Mrs. Carter following cellist Mstislav Rostropovich's recital in the East Room. In addition to the Kennedy Center Competition, he has won first prize in the 1971 Oberlin Concerto Competition, the 1976 Portland Symphony Young Artists Competition, and the 1976 Sprague

Nick's leadership is brightening our energy future

New England is twice as dependent on foreign oil as the rest of the country. That makes alternate energy sources important to us. And Nick's leadership in the search for those safe, renewable sources is important to the Sixth District. He's helping the sun shine on the Sixth. He was

instrumental in getting — and keeping — funds for the solar photovoltaic installation at Beverly High School. This project brings energy self-sufficiency a step closer to all of us.

without darkening the environmental picture.

Nick knows that while we have to exploit every available source of energy, it's still important to safeguard the natural beauty of our coast and the vital food source we have in fish. That's why he led the fight to save the rich Georges Bank fishing grounds from shortsighted oil

drilling operations.

Nick has made concrete progress toward solving some of our pressing problems in energy and in the environment. That's one of the differences between Nick and his Republican opponent.

"Nick is a leader in the search for alternate energy sources, and it's largely his commitment which has brought funding for research and development of these sources to the Sixth. I value Nick as a colleague and

as a leader in energy concerns, and I urge you to support Nick and to keep him working for you."

Haunted House Decoration On Saturday

Interested in helping to decorate this year's Haunted House? Everyone is welcomed to participate in the House "warming" on Saturday, October 25, beginning at 12 noon. Come along and help create a proper atmosphere for the Stowe School as an eerie, spooky place for the Halloween season. The Haunted House will be open to visitors between 7 and 9 p.m. on Thursday, October 30; for those who dare. Volunteers are still needed, contact the DCS office.

Salt Dough

Limited spaces remain in the one time only Salt Dough workshop to be held on Monday, October 27, 7-9 p.m. at Andover High. Projects completed at home. Students purchase supplies. List available when registering at DCS office.

Marzipan Workshop

Registrations are being accepted at the DCS office for the Marzipan candy workshop offered on Monday, Oct. 27, 7-10 p.m. at the West Jr. High. Supplies included in fee.

Therapeutic Relaxation Workshop

The above workshop will be offered on Monday, Oct. 27 only between 7:30 and 9:30 p.m. at the Andover High School. Relaxation Therapy is an outgrowth of Behavioral Medicine. It is a non-medication therapy for the treatment of stress related illness: hypertension, insomnia, colitis, anxiety and emotionally caused cardiac arrhythmias (irregular heartbeat). Register at the DCS office, 36 Bartlet St.

Nature Walk

The Sunday, Oct. 26 nature walk will take place over the Shawsheen River Reservation. The walk is scheduled to begin at 2 p.m. and end at 4 p.m. Maps for this and the remaining two guided trips through some of Andover's best conservation lands are now available at Moor and Mountain on Park Street and the DCS office at the Stowe School. In cases of inclement weather, walks will be cancelled. There is no fee for this program. It is open to the public.

Men's Basketball League - Tryouts

On Wednesday, Oct. 29, both divisions of the Men's Basketball League will hold tryouts at the West Junior High School. Team representatives looking for players for the junior (19-32 yrs.) and Senior (33 yrs. and over) divisions will be on hand to select players for their teams. Currently, there is space for one complete team

within the junior circuit. Individuals looking to form a team within this division should be sure to show up at the tryout. League play begins on Nov. 6 and takes place on consecutive Thursdays through the month of March. Tryouts will be held from 7 to 8 p.m.

Saturday Basketball At West Jr. High School

The West Junior High School is now being opened on Saturdays from 12:30-3 p.m. for informal basketball play. A token fee is collected at the door by the supervisor on duty. This program will be ongoing until April.

Sunday Open Gym

The High School gym is now being opened to the public on Sunday afternoons from 1-4 p.m. This open gym program gives residents an opportunity to participate in a variety of gymnasium activities. Children under 10 years of age must be accompanied by an adult.

Open Gym Cancellations

Due to a variety of events being held at the East and West Junior High School, and the High School open gyms have been cancelled on the following dates: East Jr. High School: Wednesday, Nov. 5, Friday, Nov. 7, Friday, Nov. 14; West Jr. High School: Friday, Dec. 12; High School: Sunday, Nov. 2, Monday, Nov. 3, Tuesday, Nov. 4, Thursday Nov. 20.

Road Race Volunteers

The Department is looking for volunteers to help with this year's five-mile road race to be held on Sunday, Oct. 26. The race begins at 1 p.m. at the Sanborn Elementary School. Volunteers are needed to help at the registration table, water stations, finish line and refreshment desk. Interested individuals should contact the DCS office as soon as possible.

DCS 5-Mile Road Race Is Sunday

The Department of Community Services in cooperation with the Brooks Shoe Manufacturing Company will hold its fifth Annual 5-Mile Road Race on Sunday, Oct. 26. Starting and finishing at the Sanborn School, the race gets underway at 1 p.m. Over one-hundred entries have been received to date. An additional 100 entries are anticipated before race time. The race route begins on Lovejoy Road and winds through 5.1 miles of central Andover. Trophies will be awarded to first and second place finishers in each division, with ribbons going to third place finishers.

Wilt Chamberlain holds the all-time NBA record for the most minutes played. The former star logged 47,859 minutes of playing time.

Dividend

The board of directors of Reichhold Chemicals, Inc. today declared a regular quarterly dividend of 12 cents, payable Nov. 14, 1980, to stockholders of record on Oct. 31.

Reichhold (NYSE) produces specialty chemicals and resins for a wide variety of growing industries. Annual sales are more than \$750 million.

Law Of The Sea And UN Day

To the Editor of the TOWNSMAN:

This issue arrives only one day before United Nations Day. Because of this I would like to share some very positive information gained while attending a "Law of the Sea seminar" sponsored by several agencies of the United Methodist Church. My local church is the Ballard Vale United Church (which is also half UCC) and it is because of the "connectional" nature of the United Methodist Church such seminars are possible. Resource person for the event was Barbara Weaver from Washington D.C. who serves as project director for the church and as a representative of the National Council of Churches as a Non-governmental Observer to the United Nations Law of the Sea Conference.

After nearly seven years of difficult negotiations the Law of the Sea will probably be ready for signing after the final discussions scheduled for March 1981 in New York City. Chief negotiator has been our Ambassador Elliot Richardson who stepped down from the post only two weeks ago feeling that most major differences had been resolved. The current "informal" treaty, condensed to 180 pages, will be a landmark in international law.

Consensus has been used by the 143 countries represented at the sessions. Settling disputes in this manner, although not as dramatic as war, is clearly more productive. It is for allowing not as dramatic such forum that we can be pleased to remember United Nations Day tomorrow.

Agreements reached at Geneva, Switzerland this summer have impact on Massachusetts. The latest compromises have granted exclusive control of ocean resources in a 200 mile off-shore zone but have permitted landlocked countries some share of fishing stock. It is these landlocked countries and less developed countries who will also share with the more technically advanced the profit to be derived by mining for rich mineral deposits on the ocean floor beyond the 200

mile limit.

Of major concern to maritime countries, like the USA, were rights of navigation and overflight. Also established were agreements for protection of, and compensation for damages to, the marine environment from pollution.

It is my hope that more people will become aware of the progress made in a matter which affects world peace and world hunger. We can also alert our senator who will be called when ratification is needed or our congressman when appropriations are needed. When something of promise is available we can still be concerned — and pleased!

Thanks

To the Editor of the TOWNSMAN:

May I through your TOWNSMAN thank all who came to my aid on the day of Art in the Park across from East Jr. High.

My wheelchair did not make it onto the

sidewalk and it tipped back.

I want to thank for all the help in picking me up, getting me water and ice for my head, and for their concern.

Again, thank you,
P.E.

(Named withheld by request)

For 2½

To The Editor Of The Townsman:

In today's era of double digit inflation and an unprecedented level of interest rates, I strongly believe that the citizens of Massachusetts who go to the polls in November consider the following: homeowners and property owners need protection against unreasonable assessments and inflation. Under our present system of taxation, the legislature mandates programs whereby cities and towns have no alternative other than to finance through property taxes. Also, an increase in the automobile excise tax seems imminent; which probably puts us

on top nationwide.

Opponents of Proposition 2½ claim disaster and bankruptcy will prevail if the proposition is passed. However, they fail to note that countless other states in the country spend less, tax considerably less and still provide all the essential services. I say lets give it a try — — Vote For Proposition 2½!!!

Respectfully,
Lou Patracone
63 Chandler Road

The King And I

Deborah Kerr and Yul Brenner star in the film version of the Rodgers and Hammerstein musical based on the book "Anna and the King of Siam" when The King and I previews at the Andover Senior Center on Monday, Oct. 27, at 2 p.m. This charming film tells the story of the romance which develops when Deborah Kerr is hired to tutor the son of the King of Siam. The king is played by Yul Brenner.

Congratulations!

To the Editor of the TOWNSMAN:

I wish to congratulate the Andover School Committee for its unbelievable display of brilliance in closing all the schools on election day. Surely by closing all the schools all the mothers of elementary school children will find it simpler to get to the central polling place, keep track of their youngsters who are too young to leave at home alone, and still keep clear heads so that their votes will be well thought-out — an easy task, comparable to keeping one's sanity in a super market. Closing the schools on that day is also a boon to working mothers — an unexpected day off, without pay! I can hardly wait for the next bright idea from the school committee, perhaps classes on July 4 to teach equality for all.

Nicolls Honored For Outstanding Service

On Sunday, Oct. 19, the central district of the Southern New England Conference of the United Methodist Church honored thirty-one outstanding individuals. Those honored were selected by their local churches for their work, involvement and commitment to local ministry.

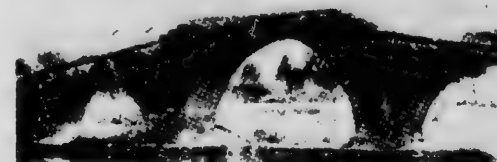

Mr. and Mrs. William Nicoll of the Ballardvale United Church were selected and recognized by their local church for approximately 12 years of service to the church. William and Grace Nicoll have made significant contributions to the life of the Ballardvale United Church. As well

as being those persons who seem always to be there in times of special needs, they have provided leadership in the Stewardship campaigns, the annual church fair, the choir, trustees, coordinating council. Grace has served as president of the Women's Guild and as junior choir director and Bill has served as a representative to the preschool steering committee and as a church school teacher. In addition, they have worked on many church suppers, social functions, work parties, and special committees. As a team and as individuals, their giving has always been the "second mile."

Mr. and Mrs. Nicoll were awarded a certificate of appreciation signed by the district superintendent, the Reverend Blaine Taylor, and their pastor, the Reverend David Hollenbeck.

Film On St. Francis Presented

The Christian Formation Center, River Road, West Andover, will present Franco Zeffirelli's film, "Brother Sun, Sister Moon", Saturday evening, Oct. 25, at 7:30 p.m., and Sunday, Oct. 26, at noon.

The film, showing the popular life of Saint Francis of Assisi, is part of the year of prayer and preparation initiated by Franciscans the world over to honor the Founder of the Franciscan Family on the 800th anniversary of his birth.

Saint Francis of Assisi was born towards the end of 1181 or the beginning of 1182. The year 1981-82 will see a series of world-wide observances to commemorate the event.

Friends of the Franciscan Friars and of the Christian Formation Center are welcome to attend either showing. The admission may be paid at the door.

At age 70 to 75, the average women should take in about 2,000 calories a day, the average man about 2,300.

Here's your chance to cut big government down to size.**We can no longer afford runaway government**

Massachusetts state government is growing by leaps and bounds. There is a tendency to create a new commission or appoint another administrator whenever a new problem arises. Often there are 2 or 3 state agencies responsible for the same task. We can no longer afford a mis-managed and inefficient state government. One example is the MBTA—they suffer from a lack of leadership caused by the inability of the T Chairman and the T Advisory Board to work together. And, we suffer in poor service, runaway operating costs and an absolute absence of accountability.

Bill Gustus is serious about less government.

We need less government in Massachusetts. We need a moratorium on the creation of new commissions and agencies. And, we need a consolidation where two or more existing agencies can be combined or streamlined. It is this kind of management in state government that will result in fewer government agencies and greater local control over local affairs. We should have increased local input into the state system. The MBTA Advisory Board with representatives from surrounding communities should be given overall control of the budget and the management of the system thereby returning accountability to a single body.

Dramatic Film Set For Sunday At Church

"John Hus" an historically authentic dramatic film on the life of the noted 15th century Bohemian priest, will be shown at the Andover Baptist Church this Sunday, Reformation Sunday, at the 6 p.m. service.

The film presentation of this historical figure, who planted the seeds of the Protestant Reformation 100 years before Martin Luther, is a stirring, true account. Hus's devotion to scripture and his relentless pursuit of spiritual truth alienated him from his church, and the story of his betrayal, trial, imprisonment and final execution by burning at the stake

inspires faith and provides interest from beginning to end.

The essence of John Hus and his faithful struggle are superbly captured," states Professor of Church History, Dr. William Nigel Kerr of Gordon-Conwell Theological School. "It is a powerful and noteworthy film whose excellence lies in its production quality and historical authenticity."

The hour long drama was filmed on location in Germany, Czechoslovakia and California. It attempts to be accurate to every detail — costuming, setting and dialogue. Much of the dialogue is actually

taken from historical documents of the account.

The lead role of John Hus is played by Rod Colbin, supported by a cast of other recognized screen talent, including Regis Cordic, Sandor Naszody, Marvin Miller, John Hart and Carmen Zapata.

The public is invited.

Turkey Trot Fair Set

The Turkey Trot Fair will be held at 31 Elm St. on Saturday, Nov. 1 from 10 a.m. to 4 p.m.

Miss Ella Petrie is chairman and Mrs. Muriel McAnern, treasurer.

Popular tables will again be featured.

A coffee hour will be from 10-11 a.m., lunch from 11:30 to 1 p.m.; also a tea with Mrs. Etta Chadwick, hostess, from 2:30 p.m. on. Delicious sandwiches as well as sweets will be served with tea and coffee.

The fair is open to the public.

Mr. and Mrs. Douglas R. Viehmann

Viehmann — Vivian

Ann Vivian, daughter of Professor and Mrs. J. Edward Vivian of Danvers, and Douglas R. Viehmann, son of Mr. and Mrs. Norman J. Viehmann of Andover, were married Oct. 4 in the First and Second Church in Boston.

Dr. Rhys Williams officiated at the double ring ceremony. Renaissance music was performed on early instruments by the Calliope Consort attired in period costume.

Both bride and groom were presented by their parents. The bride wore a gown of ivory silk designed by herself and Ms. Susan Eddy of Burlington, Vt. The antique lace trim and fitted sleeves were selected from the lace collection of the groom's great grandmother. A calf length silk train edged in lace flowed from the bride's shoulders. She carried a bouquet of orchids and roses.

The bride was attend by Sarah Williams of Cambridge and Elizabeth Albert of Somerville.

The groom's attendants were David Wilde of Los Altos, Calif., Spencer Aitel of Waterville, Maine, and Mark Gulezian of Washington, DC. Ushering for the ceremony were the brother of the bride, David Vivian of Burlington, VT., and the sister of the groom, Elizabeth Viehmann, of Ipswich.

Following a reception at the M.I.T. Faculty Club, the couple left for sailing in the virgin Islands. They will live in Burlington, Vt.

Ms Vivian graduated from the Buckingham School in Cambridge in 1971 and the Rhode Island School of Design with a Bachelor of Architecture in 1976. She is a designer/draftsperson with Adams/Guillot Architects, Ltd. of Burlington, VT.

Viehmann graduated from Andover High School in 1972 and from Rhode Island School of Design with a Bachelor of Architecture in 1977. He is a designer/draftsperson with Duffy, Farnham Associates of Hinesburg, Vt.

Gardeners Schedule Projects

The Andover Garden Club begins its 53rd year with exciting programs of diversity and interest. In addition to regular monthly meetings, workshops in horticulture and flower arranging have been planned along with instruction in Ikebana and a director's special to the Worcester Museum and Horticulture Society.

The club's many projects include the maintaining and planting of the circle in front of town hall, the Marjorie Stearns Historical Society Garden, the landscaping at the corner of the Municipal Parking Lot, and the Bicentennial Garden at

School and Central Streets. The Club decorates the Andover Historical Society and the Memorial Hall Library and also provides scholarships for an Andover youth to attend the Massachusetts Junior Conservation Camp and for two girls from the Junior Garden Club to attend the Audubon Wildwood Camp.

The officers for the coming year are as follows: Mrs. Albert S. Rothseid, president; Mrs. Thomas Simmonds, Jr., vice president; Mrs. John A. James, recording secretary; Mrs. Joseph A. Harrington, corresponding secretary; Mrs. George W. Francis, treasurer.

Mr. and Mrs. James Carson

Carson - Krivobok

Karin Franziska Krivobok, daughter of Mr. and Mrs. Georges N. Krivobok, 14 School St., Andover, became the bride Oct. 4 of James Carson of Kilmarnock, Scotland. The groom is the son of Mrs. James Carson and the late Mr. Carson of Kilmarnock, Scotland.

The Rev. J. Philip Zaeder, Protestant chaplain at Phillips Academy, officiated at the 3 o'clock ceremony in the Academy's Kemper Chapel. Carl Krumpe, a friend of the family, was organist.

Given in marriage by her father, the bride wore a classic white Bianchi gown studded with pearls and paillettes. She carried a bouquet sprinkled with sprays of Scottish heather.

Wearing a matching Bianchi gown in fuschia, was the bride's sister and maid of honor, Marliese Henriette Krivobok of Andover.

Erhart Kessner of Nuertingen, West Germany, was best man, and the bride's brother, Georges N. Krivobok III of Andover, was usher.

A reception followed the ceremony at the Log Cabin, Phillips Academy, and the couple took a wedding trip to Cozumel, Mexico.

The new Mrs. Carson, a graduate of Phillips Academy in 1976, and Baccalaureat in Rennes, France in 1977, is affiliated with Lufthansa German Airlines.

Her husband attended James Hamilton Academy and graduated from Kilmarnock Technical College, Kilmarnock, Scotland, in 1967. He is employed by Olympic Airways.

They will be making their home in Stuttgart, West Germany, beginning in November.

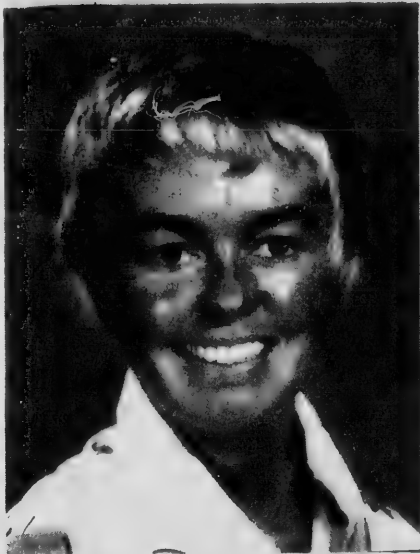

Presented Flower Show Awards

The recently held Standard Flower Show of the Andover Village Garden Club proved successful. There were many blue ribbon winners in horticulture including Mrs. Mona Calthorpe, Mrs. Cindy Madden and Mrs. Marilyn Carriere. The "Best of Show" in horticulture was awarded to Mrs. Sue Dietzel for her holly branch. In the design division, the top award "Tricolor Ribbon," was received by Mrs. Helga Frazzette. Also receiving awards in design for the graduation buffet were Mrs. Helga Frazzette, first; Mrs. Nina Anuff, second; Mrs. Flora Batten and Mrs. Joya Sideri both received fourth. In the B-B-Que Class Mrs. Andria Kalil took first.

Mrs. Marilyn Carriere, second, Mrs. Michaela Beckerman, third and Mrs. Mona Calthorpe, fourth. The awards for the picnic class went to Mrs. Marie Burke, first; Mrs. Betty Arnott, second; Mrs. Sue Williams, third; Mrs. Vicky Coderre, fourth.

A luncheon was prepared and served by Mrs. Mona Calthorpe. Hostesses included Mrs. Cindy Madden, Mrs. Andria Kalil, Mrs. Vicky Coderre, Mrs. Barbara Nelson, Mrs. Joya Sideri, Mrs. Betty Arnott and Mrs. Carol Livingston. The proceeds will be used for garden therapy in working with handicapped children.

Miss Coleman Is Engaged

Mary Frances Coleman

Mr. and Mrs. Harold E. Coleman of Andover and Seabrook, N.H., announce the engagement of their daughter, Mary Frances to Philip M. Kochman of Salisbury. The prospective groom is the son of Mrs. Jean M. Kochman of North Andover.

The bride-to-be graduated from Andover High School, and received her bachelor of arts degree from Merrimack College. Now a resident of Manchester, she teaches English at the Ralph B. O'Maley School in Gloucester.

Her fiancé, a graduate of Lawrence High School, received a B.S. degree in industrial engineering from Lowell Technological Institute. He is a quality assurance engineer at Compugraphic in Wilmington.

A fall wedding is planned.

To Honor Fr. Coughlan Sunday

Rev. John A. Coughlan, O.S.A., president of Merrimack College, will be honored Sunday, Oct. 26, by the Ladies of Merrimack on the silver jubilee of his ordination to the priesthood.

The occasion is also in appreciation of his dedication as college president. Father

Coughlan recently announced his resignation as of June 1981.

A Mass of Thanksgiving will be celebrated at 2 p.m. in the Collegiate Church of Christ the Teacher, followed by a reception at Boston University Conference Center, Osgood Street, North Andover.

Among those from North Andover who are accepting reservations are: Mrs. Harry Dow III, chairman, Mrs. John J. Burke, Mrs. John Royal, Mrs. Joseph Nahil, and Mrs. Kenneth Osborn.

Father Coughlan, a native of Silver Spring, Md., attended University of Maryland and entered the Order of St. Augustine in 1950.

He earned a bachelor of arts degree from Villanova University, studied at Augustinian College, Washington, and was ordained there in 1955. He did graduate work at Catholic University of America where he received his master's degree in 1958 and his Ph.D. in economics in 1965.

Fr. Coughlan served as professor and director of the social services department at Archbishop Carroll High School, Washington, and as chairman of the economics department at Villanova before coming to Merrimack College as vice president and academic dean in 1978. He was named executive vice president in 1975 and president of the college the following year.

Matisis - Washburn

Mr. and Mrs. William Washburn announce the marriage of their daughter, Holly, to Tsach Matisis, son of Mr. and Mrs. Uri Matisis of Haifa, Israel on Oct. 12, at the North Andover Country Club.

The maid of honor was the bride's sister, Mary Washburn of New York City and the best man was Joseph Grodzinski of Jerusalem.

The bride is a graduate of Andover High School and the University of Wisconsin.

The groom is a graduate of the Technion

in Haifa. The couple will be residing in the Boston area.

Two At Lesley

Sarah Rochwarg, daughter of Mr. and Mrs. Herman Rochwarg, Wildwood Road, and Cheryl Taft, daughter of Mr. and Mrs. Walter Taft, Argilla Road, are among the 303 new students at Lesley College in Cambridge this fall. Both graduated from Andover High.

Rochwarg is majoring in early childhood and special education, and Taft, in elementary education and day care.

Lesley College is the largest private institution in the nation specializing in elementary education. Its 800 undergraduate women major in reading, day care, early childhood education, urban education, child and community studies and middle school education. More than 4,000 part and full-time students pursue advanced degrees in teaching and human professions.

Lesley is also the site of the new National Center of Economic Education for Children, inaugurated recently by President Carter in a White House ceremony.

"WHAT'S IN A NAME?"

Is it true that every Swiss is a connoisseur of cheese; every Italian well versed in the art of lace making; every Frenchman a competent judge of wines?

Is it any wiser to presume that every one from the Orient is a natural rug-craftsman? If the work justifies the name, then the name is GREGORIAN for he has a background of generations of rug weavers added to his own skill in detection and correction of rug needs.

Mrs. George J. Rentz

Rentz - Marston

On Oct. 11 at 4 o'clock, Cynthia Ann Marston became the bride of George John Rentz in the chapel at The Brooks School, North Andover.

The Rev. George Vought performed the double ring ceremony, and a reception followed at the North Andover Country Club.

The bride, daughter of Mr. and Mrs. Edward R. Marston of North Andover, is a graduate of Colby Sawyer College and the University of Denver. Her husband, the son of Mr. and Mrs. John H. Rentz of Denver, is a graduate of The University of Denver, where he also received his master's degree. He is an executive with American Television and Communications Corp.

The bride, who wore her mother's wedding dress, had as her attendants Gretchen Waddell Nazaruk, Susan

Macartney Bodell, Gay Gamble Atkinson and Roanna Bell Daly II. Sara Dexter Stevens, the bride's cousin, presided at the guest book.

Dr. Kent Panter served as best man, and ushers were Gregg Allen Marston and

Stevens Chase Marston, brothers of the bride, John E. Duffy II, Terry Leydon and C. Duncan Tenny.

After a wedding trip to Seabrook Island, South Carolina, the couple will live in Portland, Maine.

Newcomers To Visit State House

With the national elections close at hand, comes an occasion to observe local government in Boston, at the State House.

On Thursday, Nov. 6, the Andover-North

Andover Newcomers Club leaves promptly at 9 a.m. from Shawsheen Plaza, setting out for Beacon Hill. The group will meet with Rep. Gerald Cohen, and see the legislature in session. A high point will be a visit to the Archives Room, to view original documents relating to the Commonwealth's history.

At the conclusion of the tour, members are free to lunch at nearby restaurants, to shop at Downtown Crossing or to sightsee in the Garden, Common, or other historic areas.

The bus will depart for Andover at 2 p.m.

Reservation deadline for the trip is Monday, Oct. 27.

Contact Colleen Georgian for information or reservations.

Fair At Mount Ida

SPONSORED BY
FOUR SEASONS GARDEN CLUB

8:30 P.M.

Square Dance Planned

The Four Seasons Garden Club will hold a square dance at 8:30 p.m. Saturday, Nov. 8, at the Greater Lawrence Regional Vocational Technical School. Shown planning publicity for the dance are, from left, Jo Schallop, vice president of the fund raising committee; May DeVeau, club president; and Billie Adams, co-chairman of the fund raising committee.

Gardeners Plan Fund Raiser

The Four Seasons Garden Club has completed plans for its Fall fund raiser, a square dance, on Saturday, Nov. 8, at 8:30 p.m. at the Greater Lawrence Regional Vocational High School cafeteria, 57 River Road, West Andover. Don Frechette will be the caller. Veteran square dancers as well as newcomers to this traditional mode of entertainment are invited to join in the fun.

Fresh floral centerpieces for the tables will be fashioned by the decorating committee which includes Mrs. Karl Kurth, Mrs. Robert Najjar, Mrs. Gerald Reynolds, Mrs. Joseph Saliby, Mrs. Michele Sapuppo, Mrs. Alexander Schott and Mrs. John Arserio. Punch, coffee and assorted pastries will be served.

The club will use funds realized from the square dance to support its Civic Beautification and Conservation projects. Four Seasons Garden Club provides flowers and shrubs to enhance the grounds of Memorial Hall Library and seasonal maintenance of existing landscaping. The conservation project includes maintenance of the Nature Trail at Foster's Island Reservation. In conjunction with the trail, the club publishes a guide for use by adults accompanying

elementary school age children along the trail.

The square dance is Four Seasons first venture into a purely social fund raiser and all local residents are invited to attend what promises to be a fun evening. Tickets are available from Mrs. Alan Schallop, Woodhaven Drive, chairman, and Mrs. William Adams, Hawthorne Circle, co-chairman, as well as all members.

Vegetables include roots such as potatoes, stems such as celery, flowers such as capers, fruits such as tomatoes and seeds such

OBITUARIES

ADELE CHETSON

Adele (Bourassa) Chetson, 74, 153 North Main St., Andover, a long-time Andover resident, died Monday at Bon Secours Hospital following a short illness.

She retired July 1971 from Tyer Rubber Division of Converse Rubber Co., Andover. Mrs. Chetson attended St. Augustine's Church.

She is survived by her husband, Matthew Chetson; sons, Alan Chetson of Lawrence, Richard Chetson of Langhorne, Pa. and George Chetson of Pelham, N.H.; a daughter, Mrs. Shirley Michalovich of Salem, N.H.; a brother, Arthur Bourassa of Lawrence; a sister, Mrs. Eva Dobbie of Salem, N.H.; 16 grandchildren, three great-grandchildren and several nieces and nephews.

A Mass will be celebrated Friday at 10 a.m. in St. Augustine's Church. Burial will be in St. Augustine's Cemetery.

Friends may call Thursday from 2 to 4 and 7 to 9 p.m. at the Lundgren Funeral Home, 18 Elm St., Andover.

DOROTHY JOHNSON

Dorothy (Murfit) Johnson, 79, One Woodland Road, Andover, an active member of the Red Cross, died Sunday at Prescott House Nursing Home, North Andover.

Born in Boston, she was educated at Milton Academy and was a 1925 graduate of Smith College. Mrs. Johnson was a statistician for the late Dr. E. A. Hooten until 1937. During World War II she was very active in the Red Cross managing programs of sewing and bandage folding for the Armed Services. She was a long-time member of the Andover Garden Club where she ran a project called Garden Club Service which was involved in providing flowers and decorating hospitals, especially the Veterans Hospital in Bedford. She was also a member of the local Smith College Club.

Her recreation was mainly sailing along the coast and in the Caribbean with her husband.

She is survived by her husband, Frederick Johnson.

A memorial service will be private.

At the request of the family there are no calling hours.

Funeral arrangements are under the direction of the Lundgren Funeral Home, 18 Elm St.

J. EDSON ANDREWS

J. Edson Andrews, 87, of 18 Alder Road, Andover, long involved in the shoe manufacturing industry, died Friday after a lengthy illness.

Mr. Andrews, who had been treasurer of the Gale Shoe Manufacturing Co. and president of the Daytimer Shoe Co. of Haverhill and North Adams, served as a consultant to the War Production Board during World War II.

From 1943 to May, 1945, he was chief of the shoe branch of the board's Textile, Clothing and Leather Bureau in

Washington.

After the war, he became associated with Sebago, Inc. of Westbrook, Me., and was an officer and director of the company until his retirement in 1978.

Born in Evanston, Illinois, he graduated from Princeton University in 1914. He had been active in Princeton affairs, both as treasurer and then president of the Princeton Alumni Association of New England. During World War I, he served in the Navy and was discharged as a Lieutenant in 1919.

He was a member of the North Andover Country Club, the Hyannisport Club and the Country Club.

The widower of Barbara G. Andrews, he is survived by a son and daughter-in-law, Jerome E. Jr. and Joyce B. of Andover; a sister, Katherine A. Post of Santa Monica, Calif.; a niece, Elaine A. Brantingham of LaJolla, Calif.; and four grandchildren, Christopher B., Stephen W., Jerome E. III and Elisabeth G. Andrews.

A memorial service was held at Christ Church on Monday at 4 p.m.

Memorial contributions may be made to Lawrence General Hospital, 1 General St., Lawrence.

Relaxation Workshop Offered

The Andover Department of Community Services will be offering a workshop entitled "Relaxation Therapy for Prevention and Treatment of Stress Disorders" on Monday, Oct. 27 between 7:30 and 9:30 p.m. at the Andover High School.

Dorothy Menzie, a certified yogic therapist, will be conducting the workshop. A graduate of the Yoga International Institute she has taught in colleges and private institutions during the past fifteen years. She is a consultant in the formation of stress therapy curriculums and is part time faculty member at Northern Essex Community College this fall. She designed the relaxation therapy program which is currently offered at the Lawrence General Hospital, a program which has been made adjustable to meet the needs of the lay person as well as the professional.

Stress related dysfunction has increased markedly within the last decade. High blood pressure (hypertension) is no longer the sole possession of the grandparent but is also being seen as a restrictive force in the life of the teenage grandchild as well. Insomnia, chronic tension headache, colitis, emotionally caused cardiac arrhythmias (irregular heartbeats), and hyperventilation (anxiety system) are but some of the results of an overactive stress response.

Relaxation therapy originates within a health care system as old as man himself. Its use in the treatment and prevention of stress related disorders is still relatively new. Although this form of therapy is not successful for all people, its effectiveness does deserve consideration and application before pharmacological remedies are offered. Registrations are being accepted for this one-time workshop at the Department of Community Services, 36 Barlett St., Andover.

For Those Of Us Who Are Older

By Janet D. Lake

This afternoon at The Haven at 2 p.m. you will be able to visit Scotland as a part of The Haven travelogue series. A delightful film will be shown depicting the loveliness of the Scottish countryside.

Have you bought your ticket yet for the chicken dinner to be given at The Haven —

Ice Age Art

A new exhibition at Boston's Museum of Science gives New Englanders a rare opportunity to see Ice Age Art, a revelation of the complex culture and sophisticated art developed by early humans.

Previously seen only in New York, Dallas, and San Francisco, the exhibition presents more than 240 original artifacts, replicas, and photographs culled from many museums and private sources in this country, Europe and Asia.

The engravings on bone and stone, the cave paintings of animals now extinct, and the female figurines were created 35,000 to 10,000 years ago. They show that Cro-Magnon peoples had a great range of symbols and images that had some special meaning in their way of life. The image probably were used to mark rituals and ceremonies, and to stand for parts of myths and stories.

the senior drop-in center — Nov. 4 at noon - Election Day? It costs only two dollars. Because the schools will be closed that day there will be no hot lunch at West Elementary School. Chicken dinner tickets are available now at The Haven.

The Council on Aging is sponsoring a Christmas Bazaar at the center Nov. 8. Not only are you wanted as customers, but you are also invited to contribute baked goods and white elephants. Call The Haven at 470-0870 for any further information. And do plan to stop by on Nov. 8.

The movie Monday, Oct. 27, will be the beautiful classic, "The King and I", starring Deborah Kerr and Yul Brenner. You'll love it! It starts at 2 p.m. and, of course, is free.

The evening of Tuesday, Oct. 28, don't forget the program of Elizabethan music at the center. The program starts at 7:30 p.m. and do call The Haven if you need a ride.

The Annual Recognition Dinner, sponsored by the Greater Lawrence Association of Councils on Aging will be held Thursday, Nov. 6, at the VoTech School on River Road. Dinner will be served at 5 p.m. with entertainment from 7 to 9. Tickets will cost \$2 and are available at The Haven.

The October 28 mini-clinic will be held at Frye Circle. You must call the Health Department for an appointment for this free service. Testing for hemoglobin count, urinalysis, blood pressure, counselling and weight and diet check are available. On Wednesday, Oct. 29, the regular blood pressure check and counselling is available without appointment at The Haven from 2 to 3 p.m.

The Haven Associates are sponsoring a pot luck luncheon at the center on Nov. 20, the date of their regular meeting. It will start at noon and be followed by the regular meeting of the associates.

Everyone is welcome, but you should call Margaret Hatch, Mary Mattoon, or The Haven to tell them you are planning to be there and to tell them what you plan to bring.

A Greeting To Old Grads

Andover High broke out in new uniforms for the band and created floats to greet returning alumni at the annual Homecoming game last Saturday at Lovely Field. Although the Warriors lost on the gridiron, there was plenty of homecoming spirit provided through the activities throughout the weekend. Photos opposite page, at left, David Matthews, percussionist, pounds out a beat for the half-time show; top, the junior class uses a trade theme to float their greetings and at the bottom, the newly-adorned color bearers extend a hello. Top photo this page shows that while the underclassmen recognize their standing, they still feel the tenth grade is a "10" and lower photo displays the senior class greeting to Andover and Punchard High graduates.

ATTEST:

THOMAS P. ELDRED, Constable
 Andover, October 23, 1980

Essex SS.

Pursuant to the foregoing warrant, I, the subscriber, one of the constables of the Town of Andover, have notified the inhabitants of said Town to meet at the time and place and for the purposes stated in said warrant, by posting a true and attested copy of the same on the Town Hall, on each Schoolhouse, and in no less than five other public places where bills and notices are usually posted and by publication in the Andover Townsman.

Said warrants have been posted and published seven days.

Agree On Hiring Freeze

The selectmen and town manager have agreed to put a "freeze" on hiring new town employees until after Proposition 2½. Question 2 on the November ballot, is passed or defeated.

The freeze will not effect all vacant town positions, the manager told the selectmen last week, but only those which are not essential.

Among approximately 14 current vacancies, only six are critical, said Town Manager Jared S. A. Clark: "These are people we would have to have even after 2½ passes," he explained.

But other positions among those vacancies may be eliminated if the referendum question is approved, selectmen chairman James Abramson pointed out.

Among the positions currently vacant are spots in the police, fire, and public works departments, Clark said.

The hiring freeze could help soften the "first year blow that Proposition 2½ will create," Clark reported to the selectmen,

by cutting the town's unemployment compensation costs.

The manager anticipates that some town employees will have to be released if the proposition passes. Unemployment costs, at approximately 50 percent of salary for 36 weeks, range from \$3,000 to \$5,000 per employee, Clark said.

By not hiring employees who may eventually be released, the town can save unnecessary training costs, as well as unemployment compensation costs, the manager pointed out.

If Proposition 2½ passes, lists of town employees scheduled for layoffs will be prepared so that the employees can be notified far in advance, Clark said.

The hiring freeze is just one step to help cut municipal expenses in the face of Proposition 2½, because if the referendum question is successful, it may necessitate budget cuts of anywhere from \$450,000 to \$1,470,000, the manager said.

READ THIS, AND GIVE IT A GRADE

The sum of all known reverence I add up in you, whoever you are.

The people who govern are there for you, it is not you who are there for them; All architecture is what you do to it when you look upon it; All music is what awakes from you when you are reminded by the instruments.

The sun and stars that float in the open air; The apple shaped earth and we upon it; The wonder everyone sees in everyone else/he sees, and the wonders that fill each minute of time forever.

It is for you, whoever you are — it is no further from you than you hearing and sight are from you.

It is hinted by nearest, commonest, readiest.

We consider bibles and religions divine — I do not say they are not divine: I say they have all grown out of you, and may grow out of you still. It is not they who give the life — it is you who give the life.

Will you seek afar off? You surely come back at last, in things best known to you, finding the best, or as good as the best —

Happiness, knowledge, not in another place, but this place — not for another hour, but this hour.

IF YOU GAVE THESE THOUGHTS A B+ or better you might find the UNITARIAN UNIVERSALIST CHURCH of interest. We UU's look at life as Walt Whitman did, and express that search through our time together on Sundays at 10:30 a.m. We're at 244 Lowell Street [Rte 133] in Andover. Legal Discussion

Federal Judge Andrew A. Caffrey of 47 Woodland Road, (left) enjoys a conversation with Joan Regan of Milton and Brian O'Connell of Worcester during a dinner held in the judge's honor last Saturday at the Andover Inn. The dinner, hosted by the judge's former law clerks, celebrated the 20th anniversary of Judge Caffrey's appointment to the federal bench.

Federal Judge Andrew A. Caffrey, longtime Andover resident, last Saturday celebrated the twentieth anniversary of his appointment to the federal bench with a dinner at the Andover Inn, hosted by a group of his former law clerks.

Judge Caffrey, chief judge of the United States District Court for the district of Massachusetts, was appointed a federal judge in October, 1960. His former law clerk have feted the judge every five years since then.

The judge and his wife, Evelyn, live at 47 Woodland Road.

Each federal judge is assisted by one or two law clerks, who are usually recent law school graduates, explains Boston atty. Brian O'Connell, one of Judge Caffrey's former clerks. Each clerk studies and works under the judge for one or two years, says O'Connell, who organized the twentieth anniversary dinner.

Nearly 40 former clerks and their guests attended the dinner, along with the judge and Mrs. Caffrey. Only two former clerks were absent — one a resident of Ohio, and the other, of Israel.

During the dinner, the judge's former assistants announced that they have endowed Boston College Law School with a scholarship in his name. Judge Caffrey was at one time a law professor at the school.

The scholarship will be awarded annually to a Boston College law student, O'Connell says, on the basis of the student's interest and ability in trial practice, as well as outstanding achievement.

The judge was presented with a framed letter from the dean of the law school announcing the endowment.

Rollins To Get Nod Before Selectmen

Rollins Cablevision of Massachusetts will be recommended as Andover's licensee by both the Cable TV Advisory Committee and Town Manager Jared S. A. Clark Monday night.

The selectmen, who are the licensing authority, will conduct a hearing on the matter during their regular 7:30 p.m. meeting at Memorial Hall Library.

The advisory committee, chaired by Atty. Reginald Marden, has been reviewing proposals by Rollins and Continental Cablevision of Lawrence for some time and two weeks ago decided on the Rollins firm.

Clark said this week that he would recommend to the selectmen that the advisory committee's resolution be accepted.

Atty. William Dalton, counsel for Continental, has indicated that the Lawrence firm intends to put forth its case for consideration as the town's licensee.

Clark said this week that the Rollins proposal is significantly better than that presented by Continental.

Among the benefits is the installation of two cables throughout the town. This would afford the town government some options, such as computerized meter reading. It also would provide advantages for businesses in that data processing terminals could communicate with others in not only Andover, but other communities as well.

There are other options which can be exercised as they are developed, such as burglar and smoke alarm systems and energy conservation measures, through computers for private homes, which, of course, are future possibilities, Clark in-

dicated.

While some of these advantages are not immediately available, the Rollins proposal creates the possibility of these things, along with the current plan of providing educational television through the studio at Merrimack College.

If the Rollins recommendation is

accepted by the selectmen, it would represent the first installation for the firm in this state. They have systems in Delaware, Connecticut and Rhode Island.

Clark said that the town would benefit from Andover being a demonstration community for the firm, which has proposed

two studios, a mobile van and more program personnel than that offered by Continental.

The manager noted that Andover, in considering the Cable TV matter, was in the enviable position of having two good, reputable companies from which to choose.

Post Awaits Prop. 2½ Result

Supt. Kenneth R. Seifert told the school committee Tuesday night he will not be taking further action on hiring a youth adviser until the results of Proposition 2½ are known.

The new position, which would deal with attendance and behavior problems throughout the system, was approved recently by the school committee.

Seifert said he was notifying the finalists for the job that no further decisions will be made until after the November election. If Prop. 2½ passes and the school budget is cut, he said, that position would be one that would have to go.

It would not be fair to have a person start and then have to terminate him, Seifert indicated. "It would not be fair to the students or to the individual."

In other personnel matters Tuesday night, the school committee did accept the resignation of Ellen A. Goldman, English teacher at East Jr. High who has been with the system since 1972, and made

several appointments.

Ann Carney was named special needs instructional aide at East Jr. High, at Step I of the I.A. scale; Patricia Wermers was named math teacher at Andover High on permanent substitute basis, \$12,248; and Maureen Wood was named noon-hour supervisor at Sanborn, at \$5.36 per day. All three are Andover residents.

Appointed to junior custodial vacancies were John McLean of Andover, second shift at the high school, \$12,445; James Smith of Andover, second shift at East Jr. High, \$12,016; Kenneth McGuire of Lawrence, first shift at West Elementary, \$11,615; Theodore Dembowski of Andover, second shift at West Elementary, \$12,016; and Ronald Hancock of Andover, second shift at West elementary, \$11,615. These appointments are contingent upon appointees passing a physical examination, and are subject to a 90-day probationary period.

Manuel Silva was transferred from junior custodian at the Bartlet Street complex to the high school, Reginald Gallant.

junior custodian at Doherty to third shift at East Jr. High, and Alfio Sapuppo, from maintenance system-wide to maintenance at Doherty.

Appointed to part-time positions as Xerox equipment operators for the system, were John Keefe, Carol Scarpaci, Martha Wright and Rory McGee. All are Andover residents and will receive \$4 per hour.

A number of extra-curricular positions were also filled for the 1980-81 school year.

At East Jr. High, they include: Thomas Button, dramatics coach, at a stipend of \$625; Judy Rickley, newspaper adviser, \$422, and yearbook adviser, \$375; Gary Shapiro, Math League adviser, \$451; Gary Hendrickson, Student Council adviser, \$650; and Louis Eiserman and Patrick Finnigan, co-advisers of the Debating Club, \$262.50 each.

At West Jr. High: Doris Bernardin, dramatics coach, \$906, and debating adviser, \$750; James Whyte, Math League adviser, \$675; Bruce Dewire, Student Council adviser, \$800, and Lester Taylor, Outing Club adviser, \$899.

An Alluring Proposal That Falls Short

If there is a person who would not be impressed and pleased at the prospect of decreased property taxes, we haven't had the opportunity to cross paths.

And, with voters soon to cast a decision on Proposition 2½ on the November ballot, the circumstances are a bit frightening.

Certainly it would be nice to look forward to reduced tax bills next time around, but the problem which Proposition 2½ attempts to solve, could well create others, including additional taxes in areas over which the proposal exercises no control.

Basically, Proposition 2½ is emotionally pleasing, but would seem to address only the allure of reducing property taxes.

The brunt of the responsibility to maintain services in communities such as Andover will remain with the taxpayers of the community, should Proposition 2½ succeed statewide.

There would be immediate losses in revenue from the state, resulting in a mandated decrease of approximately \$1.5 million in the school department budget. A proportionate loss would be reflected in the general town budget, with a resulting loss of municipal services.

Proponents of Proposition 2½ indicate that such commentary reflects scare tactics, but the simple fact is that such warnings are truthful.

Proponents seek passage of the proposal as a clear message to the legislature that tax reform is needed.

Frankly, the message is getting through, but the form in which it is presented to the electorate is not the way to provide tax relief.

There are indeed some good points to Proposition 2½, such as the elimination of mandatory collective bargaining procedures, but this is only a single part of a much larger issue.

Among the opponents of Proposition 2½ is Andover's

Rep. Gerald M. Cohen, who heads the House Committee on Taxation, and has worked diligently over the past several months on what we like to term some sensible tax reform proposals.

Cohen, in his tenure on Beacon Hill, has demonstrated an interest not only in his constituents but in producing some sound leadership at the state house.

His interest in providing some tax reform would seem to be more attuned to what the state in general and town and cities in particular need in this day and age.

While citizen advocate groups such as those which have produced Proposition 2½ are good for producing effective and efficient government, their zeal sometimes overshadows the harm which can result.

Andover can ill afford to lose any revenue, and it might be noted that our financial condition is probably much better than many of the 351 towns and cities in the Commonwealth.

Through administrative decisions and town meeting action, Andover has been able to care for its financial destiny annually, recognizing that some of its obligations are state-directed. It has done so, following the best principles of home rule.

It is possible to continue in this fashion, unless the community is constrained by the limitations placed by Proposition 2½.

There is a need for tax reform, and we feel the legislature has received the message, particularly in view of the interest in the particular referendum item on the Nov. 4 ballot.

Under the leadership of persons such as Rep. Cohen, it is indeed conceivable that some type of reform will be forthcoming in the next legislative session.

Looking optimistically toward such action and with the feeling that Proposition 2½ sounds nice but is not the answer, leaves us with the conclusion that Question 2 on the Nov. 4 ballot is not that responsive to responsible tax reform.

Down The Years With The Townsman

75 Years Ago — October 1905

A part of the engine at the factory of Tyer Rubber broke down on Monday morning, compelling some of the employees to take a half holiday.

This evening at the Fire Engine house the fire "laddies" will entertain a number of their friends with one of their famous steamed clam suppers. Tickets have been issued to many prominent business and professional men and it is expected that there will be a representative gathering.

About 16 members of the Andover Country Club were delightfully entertained by one of its members, Lyman A. Belknap, in his barn on Central street Tuesday evening. The evening was spent in a delightful way with cards and a plentiful supply of cigars supplied by the genial host.

The new house of Charles Jameson which has been built to replace the one destroyed by lightning during the summer has been nearly completed and Mr. Jameson expects to move into it sometime next week. The house as well as the barn and other outbuildings are all up to date in every respect, his slaughterhouse being

especially well-fitted out.

Chief of Police Frye, Officers Mears and Pomeroy and a detective in the employ of the Boston and Maine Railroad spent a good part of Tuesday evening in an effort to locate two tramps who were suspected of attempting to wreck a Western division Boston and Maine train at Wakefield, Tuesday afternoon. The men were supposed to have come towards Andover and to be hiding in the woods about Lowell Junction.

At the meeting of the Lions Club last night in the assembly hall of the Square and Compass Club, Frederick H. Jones, reporting for the major activities committee of the club, announced that the first efforts of the committee would be directed to alleviating as far as humanly possible the unemployment situation facing the town this winter.

Marcus A. Coolidge, Democratic candidate for United States Senator and Joseph B. Ely, Democratic candidate for governor, will be the principal speakers at

a big Democratic rally scheduled to be held in the town hall Friday evening under the auspices of the Democratic town committee.

The board of selectmen held a conference session Friday with the county commissioners at Salem, the purpose being an attempt to determine the status of the road which runs off River Street, Ballardvale to the west, crossing the tracks of the Boston and Maine railroad twice at Lowell Junction and continuing to Tewksbury, where it comes to a dead end.

Several pieces of china decorated by Mrs. Fred A. Wallace of South Main Street have been accepted by the jury of the Society of Arts and Crafts, 9 Park Street, Boston, for their exhibit of the work of master craftsmen, being held at their galleries, Oct. 14 to 28. Mrs. Wallace recently shipped to Tralhattan, Sweden, tea and coffee sets ordered last summer at her Rockport studios.

Dr. Claude M. Fuess, member of the faculty at Phillips Academy for many years and widely known as an author, has after ten years of diligent work prepared

another book, the life history of Daniel Webster which has already been rated as one of the most important works of the current year.

A glittering word-picture of an industrial area in West Andover was heard by the planning board Monday night. Consultant Nord Davis, talking to that board as well as to members of the Industrial Development Commission, described an area roughly bounded by River Road, Chandler Road and North Street.

There will apparently be an interchange at Dascomb Road from new Route 28. Planning Board consultant Nord Davis told the board Monday night that the state Department of Public Works still is going ahead with the long-debated interchange.

A catered banquet, entertainment and dance will mark Andover's celebration of Veteran's Day November 11.

JACK ANDERSON and JOE SPEAR WEEKLY SPECIAL

Reagan Has Second Thoughts About Religious Connections

By JACK ANDERSON
and JOE SPEAR

WASHINGTON — Ronald Reagan has discovered that religion and politics can be an explosive mixture. He thought it would be good politics to join the Rev. Jerry Falwell for some old-time religion.

Falwell heads a fundamentalist Christian crusade called the Moral Majority. But he seems more zealous about politics than morality. For example, some of his disciples have supported one congressman who was caught soliciting sex and another who was photographed accepting a bribe.

Apparently, the Moral Majority leadership admired them more for their conservative politics than their Christian morality. Reagan is embarrassed by the Moral Majority's close embrace, sources close to his campaign tell us, and is now trying to back away from it.

Meanwhile, Reagan also sent a message to the Voice of Hope, which purports to be a Christian radio station in Lebanon. Actually, it's a terrorist-supporting radio station operated by a renegade Christian army officer named Major Saad Haddad.

He has used the Voice of Hope in attempts to extort money from the Lebanese government by threatening

to shell civilians. Once he fired a broadside into a Boy Scout jamboree, killing four children and wounding 13.

Last month, this same Voice of Hope broadcast Reagan's "congratulations" and "best wishes." The message was sent by a Reagan aide who thought the Voice of Hope was a legitimate Christian missionary radio station.

So now Reagan is delicately trying to extricate himself from the religious fanatics. He would appreciate their votes, but not their embrace.

STATE OF THE NAVY: Only three of America's 12 aircraft carriers are nuclear-powered. There are confidential plans to deploy a fourth one in 1983, but it won't add another carrier to the fleet. It will merely replace a non-nuclear carrier.

A top-secret Pentagon report lays out the deterioration of the naval fleet in grim language. According to the report, the Navy can execute and support a war in the Atlantic or in the Pacific oceans.

The problem is, it can't defend both oceans at once. Several skirmishes would virtually cripple our naval defenses. According to the top-secret report:

"The requirement for the continuous presence of at

least one carrier group in the Indian Ocean or Persian Gulf strains the capability of the Navy to meet needs in the Mediterranean and Western Pacific."

SOFT SWIRL: Apparently the makers of Fleishman's and Blue Bonnet margarines were more worried about a soft swirl than safety.

Three years ago, Standard Brands — which makes the margarines — started using a chemical called acrylonitrile in their packaging.

The substance, which is a plastic derivative, makes the margarine swirl nicely. Other chemicals tried by the manufacturer just couldn't keep the swirl looking tasty.

But acrylonitrile not only makes margarine swirl, it also may cause cancer. Last spring the Food and Drug Administration sampled a number of margarines. They found that samples of both Fleishman's and Blue Bonnet margarines had traces of the plastic in the products.

Now officials claim that they've stopped using the chemical in their margarine and before long, there will be no tubs of Blue Bonnet or Fleishman's margarine contaminated with acrylonitrile available in stores.

But Safeway's Lucerne products still use the plastic in packaging chicken salad and jalapeno spread.

CAMPAIGN INFLATION: Running for public office is getting more expensive every year. Over the past four years, the price of a thousand political campaign buttons has jumped from \$44 to \$60. Bumper stickers, which cost a reasonable 16 cents each in 1976, today cost 20 cents apiece. Congressmen running for re-election this year will spend an average of \$200,000 on their campaigns.

PARTIAL WARRANTY: The Chrysler company's advertisements say that its officials are so confident of their new K-Car's quality that they'll offer a 30-day, 1,000-mile money-back guarantee. But don't count on it. Only participating dealers offer the warranty. And, according to our staff's unofficial, spot survey, the offer is only being made by 30 to 60 percent of the car company's dealerships.

DEAD BILLS: An estimated 20,000 to 22,000 different pieces of legislation are introduced in Congress every year. Usually, 500 to 600 bills survive to receive final action on the floors of the House or Senate. Two measures that met an early death this year were entitled "National Skylab Is Falling Day" and "The Uncrazing of Federal Regulations."

Lions, Rain Dampen Warrior Homecoming

By Rick Harrison

For the Andover High football team, it must have felt like stepping in against the Pittsburgh Steelers six days after getting crunched by the Dallas Cowboys.

Lawrence and Chelmsford High are certainly the two biggest teams in the Merrimack Valley Conference, probably the most physical as well, and facing them back-to-back less than a week apart can be classified as cruel and unusual punishment.

Last Saturday the Lions threw a damper on Andover's soggy Homecoming celebration, parlaying a bruising 311-yard ground game with some rock-ribbed defense enroute to a 15-6 triumph over the Golden Warriors before a crowd of 1,200 at Lovely Field.

The loss was the second straight for AHS, which had been shredded in the Lawrence meat grinder 17-0, and left Coach Dick Collins' squad at 3-2-0 overall while Chelmsford improved to 3-1-1.

With five games still to play, Andover trails MVC East Division leader Lawrence (5-0-0) by two games.

Chelmsford's ball-control offense, which ran off 37 first-half plays and 61 in the game, accounted for 371 total yards and 18 first downs.

The Lions' defense, meanwhile, limited the Warriors' usually explosive attack to six first downs, 39 net yards rushing and 119 yards overall.

Impressive Start

The visitors, who had been shut out in two of their previous four starts and scored 77 points in the other two games, took the opening kickoff and mounted an impressive 67 yard touchdown drive that required eight plays.

all the yardage came on the ground, with quarterback Pat McAndrews, quick Scott McAuliffe and pile-driving Brian Murphy alternating rushes.

McAuliffe ripped off one 24-yard run and gained 32 yards in three carries, while Murphy added 31 yards including the final 12 for his third touchdown of the season.

Eric Kent split the uprights with the conversion kick, and with the game just 3:01 old the Lions were sitting atop a 7-0 lead.

After an 11 yard kickoff return by sophomore Greg Sacco, AHS put the ball in play at its own 31 and moved to midfield behind pass completions from junior quarterback Brien Moriarty to Bob Heidt (12 yards) and Glenn McIntyre (nine yards).

But the offense bogged down at this point, forcing the first of six punts by junior Tom Wilkins.

Chelmsford launched another march on the ground, but a clipping penalty blunted the drive and Tim Grams then intercepted a McAndrews' pass that was tipped into his hands by teammate Mike Chiklis.

The Warriors took control at the Chelmsford 46, but Scott Goodwin broke through to sack Moriarty for an 11 yard loss on the first play.

Andover, which forced four CHS turnovers during the rainy afternoon, had another good chance when Carmen Scarpa hit McAuliffe on the first play of the second quarter and Heidt pounced on the resultant fumble at the Lions' 37 yard line.

Two passes and a run accounted for just three yards, and on fourth down a Moriarty bomb to Grams fell incomplete in the endzone with Mark Stumpf defending.

Up In The Air

In search of an elusive football are Tim Grams, left, of Andover and Mark Stumpf of Chelmsford, in Saturday afternoon action at Lovely Field. Andover dropped its second game of the season to the visiting Lions, 15-8.

Using The Clock

Chelmsford then ate up a good portion of the period with a 12-play drive that carried from the Lions' 34 to the Andover 32 yard line.

McAndrews had a key one yard sneak on fourth down to keep the march alive, while McAuliffe galloped 20 yards and McAndrews completed a 15 yard pass to Jeff Kleppin.

CHS actually advanced to the Andover 18, but a holding penalty brought the ball back to the 32 where the threat ended with a fourth down pass that fell incomplete and was almost picked off by Heidt.

The Golden Warriors took control and drove to the Chelmsford 29, paced by a 17 yard pass to McIntyre, a 15 yard run by Wayne Merola and a 10 yard burst by Russ Lewis.

At this point the home team faced a fourth-and-2 situation. Moriarty kept the ball and made the first down around the left side, but a costly holding penalty brought AHS back near midfield where it was forced to punt.

With time running out in the half, and

the score still resting at 7-0, McAndrews unloaded a beautiful 45 yard spiral to Kleppin who made the catch at the Andover 12.

Just six seconds remained, so Kent attempted a 28 yard fieldgoal that veered off just wide of the right post.

The Golden Warriors kept Chelmsford pinned deep in its own territory for much of the third period, thanks primarily to a Craig Hyslip fumble recovery, but late in the quarter John Butler intercepted a Moriarty pass at the Lions' 30 and retracted the ball to the 47.

Second Touchdown

Six running plays, later Coach Tom Caito's Lions had the insurance touchdown, moving 53 yards behind the running of McAuliffe and McAndrews.

The payoff was a 44 yard run by McAndrews, who faded back to pass but ended up scrambling and dancing down the right sidelines to paydirt while breaking four tackles along the way.

Murphy rushed the two-point conversion, boosting the Chelmsford lead to 15-0

with 1:23 to play in the third period.

Early in the fourth quarter, aided by a personal foul and two offside penalties against Andover, the Lions drove to the AHS 29 before junior defensive end Mike White blocked a fourth down McAndrews to Kleppin pass.

The Golden Warriors took over and drove 71 yards in 12 plays for their first touchdown in 10 quarters, a drought that spanned the second half of the Greater-Lawrence Regional game and the entire Lawrence High contest.

Moriarty fired passes to Dave Deloury and Tim Grams for eight and 19 yards respectively, then hit Russ Lewis for seven yards before gaining 15 yards on three straight keepers.

Mike Chiklis ripped off 14 yards to the Chelmsford eight, and two plays later Moriarty threaded the needle with a pass to Wayne Merola in the right front corner of the endzone.

It was the eighth TD aerial of the season for Moriarty, who leads the Conference in that department, and the fourth touchdown reception for Merola who now has 24 points.

The TD cut the Chelmsford lead to 15-6 with 2:17 to play, but Andover's last realistic chance to win died when the attempted two-point conversion pass from Moriarty to Heidt went astray.

Mike Reilly's subsequent onside kick was recovered by the Lions' Dennis Mahoney at the CHS 42, and runs by Murphy and McAuliffe brought the ball to the Andover 10 before Murphy fumbled and Glenn McIntyre recovered.

There were only 37 seconds left, however, and a last-ditch desperation bomb from Moriarty to McIntyre was broken up by John Deleppo near midfield.

Statistics

Chelmsford led the way in first downs (18-6), yards rushing (311-39), total yardage (371-119) and scrimmage plays (61-56).

McAuliffe led all rushers with 121 yards in 23 carries, while Murphy added 118 yards in 17 rushes and McAndrews 67 in six lugs.

Moriarty completed 9-of-24 passes for 80 yards, with Heidt and McIntyre catching two apiece.

Wilkins averaged a fine 36.3 yards for six punts.

Schedule

The schedule doesn't get any easier for the Golden Warriors, who hit the road for two road games against rugged opponents Billerica (4-1-0) and Methuen 4-1-0) before returning home November 8 to host Lowell High.

Billerica is the surprise team of the MVC West, having won four straight games by a total of six points following an opening 14-7 loss to Lowell. The Indians' victories have come against Tewksbury (7-6), Dracut (7-6), Wilmington (9-6) and Haverhill (9-8).

Billerica, whose head coach Clyde Meyerhoefer was a teammate and roommate of Andover assistant Dick Bourdelais at UMass, is led by QB Paul Callery and versatile John Harlow.

Two More Victories For Warrior Booters

By She Livermore

Last weekend during Homecoming, the Golden Warriors avenged their only loss of the season by toppling Methuen 3-1 in a hotly contested re-match. Earlier in the week they won an easy 8-1 victory over Greater Lowell Voke.

These two wins keep Andover on top in the East Division and tied for first place in the league with West Division leader Billerica. The Warriors season record is 9-1-1.

Andover 8 - Greater Lowell Voke 1

Andover jumped to an early lead with three goals in the first five minutes. Dan Donovan scored two on indirect kicks and Steve Carbone made it three with the first of his three goals in the contest, to give him the first hat trick for an Andover player this year.

Also contributing to the scoring spree were Jeff Parker with two goals, his first and second of the year, and Greg Batten with one.

This game saw Mike Sherman return to form by contributing two assists.

Andover's defense was not greatly pressured throughout the contest. Danny Kimball had his first opportunity to guard the nets and Greater Lowell's only goal was scored on him. This resulted from a fine shot by the Greater Lowell sweeper who carried the ball up the field and released it before anyone expected him to shoot.

Seeing extended action for Andover were Dave Fredette, Todd Zimmerman, Barry Bloom and Jeff Parker.

Andover 3 - Methuen 1

Andover dominated the first half and was able to withstand Methuen's intensive play in the second half.

The Warrior's first goal was scored by Dave Sherman, 21 minutes into the first half, on an excellent halfback shot which sailed over the keeper's arms and into the upper left hand corner, striking the crossbar and post as it went in.

The half ended with Andover in the lead and Methuen came out with renewed vigor in the second half.

Four minutes into the second half, Steve Carbone was tripped from behind as he had a breakaway into the Methuen penalty area. A penalty shot was awarded and Steve calmly shot the ball low into the right hand side, which went underneath the keeper's body as he tried to make the save.

Shortly thereafter, Methuen tallied their only goal on a very nice shot from the edge of the penalty area after Andover was unable to clear the ball from in front of their own net.

The intensity of the game increased, with red and yellow cards in evidence.

With one minute remaining, Dan Roberts clinched the victory for Andover by scoring on a breakaway.

Contributing to the victory for Andover were co-captain Paul Reichert playing his best game of the year, and defenders Chris Bates, Dave Sherman and Todd

Lockwood, who cleared a Methuen shot off the line which would have tied the game.

John Lemieux played a strong sweeper position and Mark Easton and co-captain Dan Donovan held up under great pressure at halfback position.

Coach Dave Amundsen said he was particularly happy that in both games last week Andover accomplished what he thought they were capable of doing. "They registered two completely successful games for only the second and third time this season."

The Warriors will host a re-match with Greater Lawrence Voke on Saturday at 11 a.m.; Greater Lawrence is currently one point behind Methuen in the standings and a much more potent team than the one Andover defeated at the beginning of the season. On Wednesday, the Warriors will

play Lawrence for the second time, in Lawrence.

The Haverhill game originally scheduled for Saturday, Nov. 1, has been changed to Friday, Oct. 31.

Andover Girls Win One, Lose One

Chelmsford, 3-0

Andover High's Girls Soccer team beat Chelmsford 3-0 recently, with Heather Thomson scoring in both the first and third quarters. The first was unassisted, while the third quarter goal was on an assist from Karen Hardock.

Hardock herself scored in the second period, on an assist from Allison Hill.

The three, along with Davynne Williams, were offensive standouts, while Lele Rochwarg, Kim Worthley, Michelle Guzowski and Jenna Powell starred in the defense department.

Winchester, 2-3

The girls lost to Winchester 2-3, but it was, a spirited game and moral victory after their last loss to Winchester 0-6.

Heather Thomson scored both Andover goals in the third quarter, the first on an assist from Michelle Guzowski. The second she scored unassisted, outsprinting the defense to the ball and ending up one-on-one with the goalie.

Connie Corkery was credited with 17 saves, for a total of 83 this season, with 23 goals scored against.

The J.V. lost 0-3 in another tremendous Andover effort. They also had lost their previous game to Winchester, 0-6.

AHS Girls Swim Past Reggies

The Andover High's girls' swim team boosted their record to 3-2 Thursday with a victory over Greater Lawrence Regional.

The medley relay teams of Lisa Caputo, Robin Boyle, Cynthia Surret and Debbie Bates, and Brenda Glynn, Gretchen Munn, Amy Lander and Francesca Tine came in first and second respectively. Caputo placed first in the 50 free; Boyle placed first in the 100 breast; Bates, first in the 200 I.M.; Tracy Dowd, first in the 100 back; Lucia Derba placed first in the 200 free and the 100 free.

Second place finishers were Liza Kleschinsky, 200 I.M., Jennifer Bottomly, 100 free and 100 back, Ann Marie Tanin, diving, Gretchen Munn, 500 free and Jenna

Himber, 100 breast.

Third finishers were Allison Webster, 200 free, Chris Powell, diving, and Margie Safran, 100 breast. Fourth and fifth placers were Barbara Bixby, fourth in 200 free and 100 free, Margie Saran, fourth in 50 free, Beth Herling, fourth in diving, Maria Barbagallo, fifth in 100 free, Amy Lander, fourth in 500 free and Brenda Glynn, fourth in 100 back.

After the medley relay team came in first and second, the 400 free relays had to end on the same note. The teams, first place: Kleschinsky, Dowd, Derba and Bo Homly; second place: Caputo, Webster, Munn and Boyle did a great job in ending the meet successfully.

Colts Take Over First Place

By Dean LoPresti and Jim Wiseman
Colts 7 - Redskins 2

During the first quarter, the Colts took over on their own 25, then could only gain 5 yards with running by Mike Hart and Robert Ditroia in junior football league action Sunday. The Colts won 7-2. The Redskins backfield led by George Haseltine and Rick McEvoy then took over in Colt territory, but the tough defense led by Robert Manning only let the Skins gain one yard. On the next set of downs the Colts took over on their own 24, with a 20 yard run by Erik Shenker who almost broke loose before George Haseltine caught up with him, pulling him down at the Colt 44. On the next play, Ditroia drove four yards. On a second and six situation, back Chris Bartley ran 60 yards on a reverse to pay-dirt. The Colts Ditroia got the extra point and the score was 7-0 Colts.

In the second quarter, the Colts had the ball the first four plays but failed to make the first down, leaving the ball on the Skins fifteen. The Skins then got four first downs with outstanding running by Scott Kelley. However, on a third and five situation, Kelley got hit on the line by Manning for a no-gain. On fourth and fifth Kelley was again hit by Andrew Grant for a gain of only one. On the last play of the half the Colts quarterback Robert Carpentier tried to throw but the Skins Haseltine intercepted it and that was the half.

In the third quarter the B teams came

Young Leaders Attend YMCA Conference

Nine youth leaders from the Andover-North Andover Y.M.C.A. recently participated in the annual Westport, Conn. Y.M.C.A. Rally.

Those in attendance were Erik Day, Chris Eldredge, Erin Farr, Kathy Geddes, Patti Ann Geddes, Donna Grasso, Stefanie Heiter, Kim Pfister, and Jim Sellers, accompanied by Ed Neill, club advisor. This rally brought together representatives from Y.M.C.A.s all over the Northeast Region.

Electives included such workshops as water polo, parent psychology, soccer, softball, archery, canoeing, racquetball games leadership and fund raising. The leaders are part of a national Y.M.C.A. Leadership Development Training Program offered by the Andover-North Andover Y.M.C.A. Club activities include social events, fund raising projects, community service events, training sessions, business meeting and elections.

Anyone interested in finding out more about this program should contact Ed Neill.

Free Tax Booklet

Another in a series of booklets on the "ABCs of Massachusetts Taxes" has been issued by the Department of Revenue.

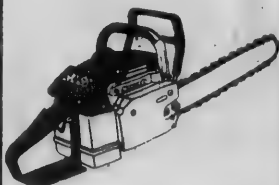

The new booklet, available free of charge to the public, is entitled "Personal Income Tax — Resident and Non-resident."

It was produced by the Planning and Research Bureau under the direction of Chief Elizabeth Cox and may be obtained from the Office of Public Information, Room 806, Department of Revenue, 100 Cambridge St., Boston, MA 02204.

The others in the series dealt with sales taxes, corporate taxes and withholding taxes.

out with the Colts kicking off. The Skins took over on their own 46. With running by Richard LaFond and Matt McKinnon, they kept the ball for eight plays, but the defence led by John Twomey and Anthony Lauterie held the Skins to give up the ball. The Colts then started a drive with running by John Twomey and Scott Wallace. The Skin defense with leaders Stephen Kelley and Matt Fardy held the Colts and the quarter ended with the Skins fumbling the ball to the Colts Peter Trede.

In the last quarter the skins gained only 14 yards in nine plays with running by Scott Kelley and Haseltine. The defense that held the Skins to only 14 yards was led by Beau Jones, Eric Shenker and David Sullivan. On a first and ten Colts they tried to pass but failed. On the next play second and ten, the Colts Chris Bartley tried to go around the end, but a solid hit by Skins Keith Driscoll made it a loss of ten. On a third and twenty for the Colts, quarterback Carpentier ran it back to his own end zone for a Skin safety. On the onside kick, Skins John Terrior fell on the ball and then, on the next two plays, Kelley couldn't move due to a great defense led by Ditroia.

The Colts offensive stars included Mike Hart, Robert Ditroia, Chris Bartley, Robby Carpentier, Scott Wallace and John Twomey.

Defensive stars included Robert Manning, Beau Jones, Andrew Grant, David Sullivan, Anthony Lauterie and Erik Alberich.

The Skins stars were Ricky McEvoy, Scott Kelley, George Haseltine, John Terrior. B-team's Eric Tatro, Richard LaFond, Matt McKinnon and Mike Lane. Also, Keith Driscoll and Joe Hart.

Scoreless Tie

The Bancroft Dolphins and the Indian Ridge Vikings played to a scoreless tie last Sunday, 0-0. It was a loosely played game with many fumbles and penalties.

Robert Salisbury caught a 10 yard pass in the end zone, but it was nullified by a holding penalty. It was an extremely hard fought game with neither team holding the edge in play. The Dolphins, behind quarterback Scott Grant, drove steadily down the field, but, similar to the Vikings, were plagued by penalties. The Viking defense, despite a few long runs by Mark Polakow and Scott Grant, was firm, led by the consistent play of Tim Scanlon.

The offensive stars for the Vikings were Robert Salisbury, quarterback John Perry

and Walter Radulski. For the defense, Tim Scanlon, Ron Geis, Rich Bouldelais and Peter Derla.

The offensive stars for the Dolphins were Mark Polakow, Paul Gilmartin, Brendan Lynch and Scott Grant. The defensive attack was led by Tim McDonald, Rickey Starkweather, John Lutz and Mike Powers.

Next week's games will be Redskins vs. Dolphins and Vikings vs. Colts. Gametime will be at 1 p.m. at the Andover playstead.

On The Soccer Fields

By She Livermore

Cyrstal Palace, an Under 12 boys team, won its fifth straight victory last weekend, and remains the only team in the entire League with an undefeated record. Liverpool having won a 6-0 victory last weekend will have the opportunity to topple them at 9:00 on Saturday at East Junior High field. This should be a good game to watch.

Brief results of the games played last weekend appear below:

Under 10 Division

Hurricanes 2 - Rowdies 0

The game was scoreless until the final quarter despite the fact that both teams were awarded free kicks on the goal earlier in the contest. Kevin Foley won the points for his team when he booted in the ball unassisted and completed a penalty kick right over the heads of the defenders. BOW: Chris Harding and Paul Mondello (Hurricanes).

Surfs 1 - Stings 1

The Surfs took the lead when they scored in the first quarter. Mickey Schallop tied it up for his team on a fine pass from John Glynn in the second quarter. Both teams worked hard for the winning goal, unsuccessfully, and the game ended in a tie, with both teams splitting the points. BOW: Paul Vallee and Matt Gibson (Surfs).

Rogues 2 - Roughnecks 1

The Rogues dominated much of the play in the first two quarters and took the lead with goals by Rich Atkinson and Jim Sullivan, both on passes by Robert Stoltz. The spirited Roughnecks worked hard to get on the scoreboard in the final quarter and finally tallied in the last ten seconds of play when Aaron Boutin booted in the ball on a pass from Andy Shea. BOW: Eric Williams, Frank Padellaro, Steve Wrigley and Paul Van Der Wielen (Rogues) as well as Sean Dyer, Tim Plaehn, Cris Brouady and Zack Bensley (Roughnecks).

Express 0 - Strikers 0

Strikers 1 - Sockers 0

In an evenly matched contest, both teams worked hard to get the ball into the penalty area and tally. The defense denied all efforts and with no goals, the game ended in a tie with both teams splitting the points. BOW: Lance Gomes, Mark Leinson and Mark Books (Express) as well as Barry Finegold, Jose Guerra and Tom Tormey (Strikers).

In a make-up game with the Sockers, Steve McSweeney tallied in the first quarter on a fine pass by Jeff Ranelli, to put the Strikers ahead. The Sockers made many good attempts to tie it up but great goaltending by Eric Tetreault and Danny Ferris denied all efforts. BOW: Strikers

defensive players Billy-Ernesto Martin, Steve and Greg Devoir.

Stompers 2 - Metros 1

The Metros took the lead when Bill Koromhas assaulted the nets early in the second quarter. The Stompers tied it up in the same quarter (Steven Howes on a pass by Jeff Brodie) and with one more goal in the third quarter (Bobby Devaney on a pass by Josh Malitsky), they won the victory points. BOW: Barry Connors and Matt Daly (Stompers) as well as John Duval and Dave Milne (Metros).

TeaMen 0 - Sockers 0

No goals were scored in the contest between evenly matched competitors and the game ended in a tie, with both teams splitting the points. BOW: Keith Rembisz, Brad Reghitto and Ryan O'Leary (TeaMen) as well as Thatcher Worthen, Matt Pothier, David Jaye and Chris Gray (Sockers).

Cosmos 12

North Andover Chameleons 0

Playing an inexperienced North Andover team, the Cosmos found it easy to tally goals, a total of twelve before the final whistle! Scoring for the Cosmos were Denise Morey (4), Cathy Ziegenbein (2), Kim Wilkins (3), Micaela Corkery, Eliza Edelsberg, and Nancy Abramson. BOW: Micaela Corkery and Jennifer Roen.

Timbers 4

North Andover Terrapins 0

The Timbers controlled much of the play in their game with the Terrapins and won the victory points with four goals, three of them scored by Debbi Freeman and one during a scramble in front of the nets. Jill Goldman assisted on one of the goals. BOW: Cara Workman, Megan Buckley and Anne Stanko.

Sounders 2

North Andover Salamanders 0

The Sounders were the victors in their game with the Salamanders when they tallied twice (Cheryl Hunt direct and Hallie Keene on a pass from Julie Darwin). North Andover did make several attempts to get on the scoreboard but good defensive tactics denied all efforts. BOW: Tammy Hughes and Emily Trespass.

played a very strong final quarter and made numerous shots on the nets in an attempt to tie it up. These went wide of the goal or were blocked by good goal tending, and the Tornados won the points. BOW: Jeanine Meckel and Alison Burke (Tornados) as well as Sharon Hastings and Kristin Donnelly (Aztecs).

Lancers 1 - Kicks 0

The game was scoreless until the third quarter when Becky Penner shot the ball into the upper corner of the Kicks net, on a fine pass from Amy Legrow. The Kicks made many good attempts to even it up but good play by center fullback Beth Cronin and super saves by goalie Liza DiClemente, held the victory for the Lancers.

Diplomats 1 - Whitecaps 0

The game was scoreless until the final quarter when Heather Pomeroy dribbled the ball down from mid-field and booted it into the Whitecaps net, winning the victory points for the Diplomats. BOW: Kerry Fitzpatrick and Tahitha Maracle (Diplomats) as well as Mina Sheel and Sarah Horton (Whitecaps).

Under 12 Division

Liverpool 6 - Ipswich 0

Liverpool having won their first victory points last week, repeated the effort when they played Ipswich. They scored once in the first quarter and five times in the final quarter, whilst denying Ipswich any successful shots on their nets. Scoring for Liverpool were Cort Pomeroy (3), two on passes from Tom Sutton and Andy Lascher, Ken Young (2) on passes from David Young and Cort Pomeroy, and David Young unassisted. BOW: Eric Frank (Liverpool) as well as Ray Ree, Frank Robertson and Lance Kallfelz (Ipswich).

Coventry 3 - Manchester 2

Coventry took the lead in the first half with two goals, one booted in by Chris Sapuppo and another following a scramble in front of the nets. Manchester came back to tie up the game in the second half when Greg Tormey and Chris DiClemente tallied. Coventry won the points when Chris Sapuppo broke the tie with his second goal of the game. BOW: Russell Leonard and Danny O'Brien (Coventry).

Leeds 3 - Sunderland 3

Leeds held a two goal advantage at the end of the first two quarters. Mike O'Con-

nor and Barry Tucker (2) having scored for Leeds and Jamie O'Brien for Sunderland on a pass from Malcolm Galvin. Sunderland edged closer when Jamie O'Brien again assaulted the nets. In the final minutes of play, Sunderland were awarded a penalty kick successfully completed by Malcolm Galvin, and the game ended in a hard fought tie. BOW: Stephen DuMosch and Eric McDowell (Leeds) as well as Greg Kinsky, Chris Hansberry and David Kaplowitz (Sunderland).

Arsenal 6 - Blackpool 1

Arsenal dominated the entire game and tallied a total of six goals (Ryan Murphy (2) on passes from Mark Tucker, Matt Alden and David Dilling, Mike Hardock (2) on passes from Ryan Murphy, Matt Alden and Greg Najjar, Greg Najjar on passes from Tim Higgins and Mark Tucker, and Luke Wennik on a pass from Ryan Murphy.) Blackpool did get on the scoreboard in the third quarter (Jim Astbury on a pass from Chris Poor) which also saw super goal tending by Jeff Kip. BOW: Chris Cook and Rob Hoyt (Arsenal) as well as Eddie Sheehan and Eric Buchholz (Blackpool).

Crystal Palace 1 - Chelsea 0

Chelsea worked hard to topple the division leaders and made many good shots on the nets, particularly in the second quarter when Tom DeLeire was the

keeper. Crystal Palace defended their end against all attacks and when Jeff Smith broke away after passes from John Nuzzo (Continued on Page 52)

STOP.

We must stop rising state and local taxes.

Our ever shrinking dollar is being eaten away by rising state and local taxes. The unwillingness of state government to develop a program for responsible property tax reform has resulted in meat-ax proposals. Proposals like Proposition 2½ which would cut local service by 50%. The inability of state government to put its own house in order and limit state spending has resulted in higher taxes. Taxes we must pay in new gas taxes, higher MBTA assessments, higher county assessments and increased college tuitions.

Bill Gustus is serious about tax reform.

Property tax reform is long overdue. Immediate relief of the property tax burden must be effected through increased state aid rather than irresponsible slashing of local services. State mandated programs must be funded by the state rather than at the local level. The abolition of county government would eliminate local county assessments and free up additional state funding for local communities. We must limit state spending with a tax cap similar to the 4% cap on the local level. And, we must enact a sunset law aimed at eliminating outdated state programs. We must provide for a review of existing state programs to trim excess fat and increase efficiency of deserving programs.

Youth Hoop League To Plan

The Andover Youth Basketball League will hold their tap-off meeting for all coaches, referees, directors and any adult wishing to participate or seek information about the league.

The meeting will be Monday Oct. 27 at the West Elementary School Faculty Room at 7:30 p.m.

On the agenda will be election of offices with nominations from the floor, plans for registration night which will be held Wednesday, Oct. 29 at the West Jr. High Cafeteria, tryout dates with the first being held Nov. 8 at the high school, scheduling of gyms for practices and games, discussion of rules and future season plans.

If it is impossible to attend the there because of commitment, send a substitute or call President Frank Monette before Monday.

The League is composed of four divisions. The Instructional (Pee-Wee Division) is for 8-year olds. Players ages 9-10 play in the junior Division, The Intermediate Division is for 11-12 years olds and the Senior Division is for players 13-15.

If more information is needed contact Frank Monette, Maureen and Richard Bardsley or Ernie Darby.

and Mike Winters, and booted in the ball in the final quarter, Crystal Palace had won their fifth victory. BOW: Patrick Hagerty and Russ LaMontagne (Crystal Palace) as well as Michael Coco, Shawn Kravetz, Jimmy Tanin and Matt Shine (Chelsea).

Doves 2 - Flickers 1

The Flickers tallied in the first quarter when Suzanne Karp scored on a pass by Susan Clark. Good defensive effort by the Doves denied their numerous attempts to increase the lead, and when Ronnie Kovner scored on a pass by Amy Goldstein, as well as Julie Boland direct, the Doves won the victory points in a hard fought game. BOW: Katy Hughes, Gillian Recesso and goalie Carla Levi (Doves) as well as Mary Sartory and Denise Doran (Flickers).

Cardinals 2 - Chickadees 0

The Chickadees controlled much of the play in the first half but good defensive tactics denied their many good attempts to get on the scoreboard. The Cardinals played a stronger second half and won the

points with two goals booted in by Lori Nelson on a pass from Torrie Fitzpatrick, and Torrey Flanagan on a pass from Jenny McAnern. BOW: Goalie Kelly Ross, Meg Dunbar and Torrey Flanagan (Cardinals) as well as Windy Carothers, Maura Dunn and Kristine Buchanan (Chickadees).

Warblers 3 - Wrens 1

The Wrens were challenged by the Warblers who dominated much of the play and tallied on three occasions in the second and third quarters. The Wrens did get on the scoreboard in the final quarter (Kelly Andrey on a pass by Lisa Spinelli) but were still down two at the final whistle. BOW: Meaghan Sheehan and Elizabeth Crawford (Wrens).

Finches 1 - Sparrows 1

The Sparrows tallied in the third quarter when Nancy Lee booted in the ball on a pass from Kathy Murphy. The Finches came right back in the final quarter, put on the pressure and tied it up when Jennifer Hechemy scored on a pass by Marci Lebowitz. BOW: Courtney Rafferty, Carrie Clark and Lynda Lounsbury (Finches) as well as Christine Symchych, Brenda Damon and Allison Reghito (Sparrows).

Robins 2 - Jays 1 Warblers 3 - Jays 1

The Jays tallied in the first quarter to take the lead (Eileen Murphy). The Robins tied it up in the second quarter when Carolyn Cronin assaulted the nets, and won the victory points when Amy Morton scored in the final quarter. BOW: Kim Pass and Martha Fraser (Jays).

In a make-up game with the Warblers, the Jays did get the ball into the nets early in the contest (Kelly Johnson on a pass from Ellen LeMaitre) but found themselves playing defensively throughout much of the game. The Warblers tied it up in the first quarter (Elizabeth Bakulski) and scored two more (Gretchen Suchodolski and Caroline Pool) to win the points. BOW: Ellen LeMaitre and Beth Salamone (Jays).

Under 14 & 16 Divison: Hawks 3 - Falcons 0

With only eight players on hand and challenged by eleven Hawks, the Falcons found the going tough and the name of the game was good defense. The Hawks scored in the first quarter, completed a penalty shot in the second quarter, and with one more successful shot in the third quarter, they won the points. The Hawks goals were booted in by Cyndy Surrette (2) and Lynne Pinkney on a pass from Kathy

Kimball. BOW: Aimee Ross and Debbie Holt (Hawks) as well as Michele Charlebois, Kara Wolnik, Lisa McKay and Terri Juliano (Falcons).

Ospreys 1 - Eagles 0

The Eagles controlled much of the play in the first quarter but could never find the range. In the final quarter, Devra Weisman scored for her team on a pass from Erin Sheehan, and the Osprey were the victors. BOW: Maggie DeLeire (Eagles).

The Andover Youth Basketball League will hold their player registration sign-up for the 1980-81 season Wednesday, Oct. 29 from 6:30 - 8:30 p.m. at the West Junior High School cafeteria.

All players who participated last year and those wishing to play this year must register to be eligible for the tryouts on Nov. 8.

The registration fee for eight year olds is \$5. The fee for players 9-15 is \$16, and for two or more participants from the same family the fee is \$25. If paying by check, it should be made out to AYBL, and must accompany the registration form.

which can be picked up in school or at the Andover Hockey Shop and Andover Sport Shop or on registration night.

Andover youngsters between 8 and 15 as of Jan. 1, 1981, are eligible to participate.

They AYBL offers a comprehensive basketball program for Andover youngsters with team play starting in December and winding up next March, with a banquet.

The league is composed of four divisions: the Instructional Division (PeeWee) for 8-year olds, players 9-10 (junior div.), the Intermediate Division for players 11-12, senior division players 13-15.

The AYBL uses regular high school playing rules with a few exception. The man-to-man defense only is used along with double teaming. In the junior division double is not allowed. Regardless of ability, every player must play in each half of every game and at least one quarter in its

entirety without substitution.

League officials will be available to answer questions at the player registration. President Frank Monette may be contacted for further information while

other officials on registration night will be Richard and Maureen Bardsley, Ernie Darby, Rick Harrison, Bernie Valcourt, Tom Glynn, Kevin Maloney and Ed Kelley.

Andover Hockey Association

PeeWee B Team Wilmington League

Andover 12 - Haverhill 1

The PeeWee Bs continue to dominate their opponents from Haverhill, defeating them easily for the second time in a week. Andover had a steady, balanced attack, scoring evenly throughout all three periods. Center Bill Bruno and wing Mark Berberian each had the "hat trick" with three goals. Berberian also picked up two assists, and Bruno had one. Peter Trede, who consistently provides strong work at wing on the second line, got his points in the opposite arrangement, with one goal in the third period to go along with three assists for the "Playmaker" award.

Tim Adams was solid in goal, stopping almost everything Haverhill could shoot at him. Chris Hansberry, who usually shares the game in net, took off the pads today and skated regular shifts on the forward lines. Chris picked up an assist when he set up Kyle McCabe, who scored Andover's seventh goal. McCabe and Matt Young both continue to add to their point production. Each had two assists, and Young also scored two goals. Tom Herling, usually a defenseman, tried a couple of shifts at wing and had a goal with assists to John Gangi and Mike Nelligan.

A note on the quality of the PeeWee Bs play this year: The stat sheets consistently show Andover with much less penalty time than their opponents. Coach John Young can take pride in the solid, hard-nosed, but clean hockey his team is playing.

Squirt A's Danver's League Andover 5 - Agawam 2

This was Andover's best all around effort to date. While it is still early in the season, the team seems to be coming together both offensively and defensively. The first period was completely dominated by Andover. Within the first minute of play, Steve McSweeney, on a pass from Brent Raftery and Glen Farnham, zipped the puck past Agawam's goalie. On that line's next shift, Steve again put the puck in the net on a nice pass from Peter Donegian. The game settled down with Andover being frustrated on several good scoring bids. Defensively the pairings of Tom Tormey and Joey Lyons and Peter Donegian and Hugh Maginnis worked very well. In all, Agawam was held to only two shots during the period, which were easily handled by goalie Ian Anderson. The offensive pressure led to 11 shots on net for Andover. The period ended with the score Andover 2 - Agawam 0.

The second period opened at the same tempo. The line of Pat McNamara, Matt

Adams and John Gilmartin kept pressure on Agawam, but were continuously broken up in Agawam's end. The puck finally went in for Andover, when Pat Breen, on a nice pass from Peter Donegian, put a backhand past Agawam's goalie three minutes into the period. While offensive pressure continued from all three Andover lines during this period, shot on net, however, dropped off. While Andover held positional advantage, only six shots on net were made. The defense played strong during the period. Agawam did manage four shots on net, but were not able to get one by Goalie Anderson. The period ended with Andover ahead 3 to 0.

The third period was more even between the teams. Ian Anderson was called on early to make the toughest saves of the game and was up to the task. Finally, Steve McSweeney, out in front of Agawam's goalie, received a nice pass from Doug Bleszinski and blistered it past

the Agawam goalie for his third goal of the game to complete his first "hat trick." On the next shift, the line of Pat Breen, Robert Stoltz and Doug Bleszinski put on tremendous pressure. The pressure paid off when Robert sent a nice pass to Pat in the slot. The shot went in with four minutes left in the period. Agawam got a

break on a rolling puck which hit the post and went in breaking goalie Anderson's shut-out. With that play, Agawam's defense seemed to come alive. As a result of the pressure, Andover committed a penalty. With a minute left, Agawam scored on the power play. The period ended with shots on net at 5 each and with each team scoring two goals. Overall, Andover outshot Agawam 22 to 11. The final score was 5 to 2 and a well played game finished in Andover's favor.

Squirt B

Everett 8 - Andover 3

Andover's Squirt B's played a very strong skating Everett club last Saturday in Danvers and came up on the short end of a 8-3 score. Despite the final score, the B's continue to show improvement with every game and will no doubt reverse some of the early season scores when they meet the same teams later in the season.

David Sopp opened the scoring for Andover when the game was less than a minute old. David converted a nice pass from linemate Todd Roycroft for the score. David, Todd and linemate Gary Bleszinski caused problems for the Everett defense on every shift they took in the game. Their offense was helped greatly by the consistently good play of defensemen Chip Stella and Timmy Sullivan at the points. Andover's second goal came midway through the second period on a shot from behind the net by David Sopp which bounced off the Everett goalie. Andover had other chances in the second period, particularly when center Matty Pothier was out with wingers Michael DiStefano and DJ Camarota. Matty had three excellent rushes turned away by a very good Everett goalie. Michael and DJ also had good shots on net stopped. Andover defensemen Danny Ianodoli and Michael Tiberii each broke up Everett rushes and played well in the game. Andover's third goal came off the stick of center Eric Cutler in the third period. It was Eric's first goal of the year. The goal came after Eric and wings Jonathan Shine and Michael Morris had put a lot of pressure on the Everett goalie by playing their positions well and keeping the puck in the zone. Timmy Sullivan earned an assist on the goal. Andover's goalies Michelle DiStefano and Michael Murnane divided the duties in the game and each came up with some excellent saves. The B's play next in Danvers on Saturday, October 25.

Pee Wee A

Andover 3 - North Andover 3

Traditional rivals Andover and North Andover battled to a 3-3 tie in a Wilmington League game last Saturday. If Andover had not fallen asleep while getting outshot 12-3 during the middle period, the game might have ended up in Andover's victory column.

Andover scored the first goal of the game midway through the first period when David Bartle converted a nice pass from the left corner by Mosa Kaleel. The lead held until late in the period when NA scored from a scramble in front. Andover had a distinct territorial edge, outshooting NA 9-5. Andover's defensemen, particularly David Curtis and Jamie O'Brien, played

a key role, keeping the puck in the zone by playing well at the points.

As noted, Andover sleep-walked through the second period. But for outstanding play by Andover goalie Greg Najjar, NA would have entered the final period with more than a 2-1 lead. What little offense Andover did generate in the period was supplied by the Stevie Donovan-Mark Neaves-Shannon McCabe line.

After NA scored their third goal on another Andover defensive lapse less than two minutes into the third period, Andover came to life. First defenseman Paul Gilmartin converted a good pass from center David Young to make it 3-2. Then Georgie Heseltine rolled a backhand, the potential tying goal, over the crossbar and the top of the net. As Andover's offensive pressure continued, Timmy Donovan just missed a goal as he came down the right wing with a pass from defenseman Earl Abdoo. Andover finally tied it up at 3-3 on Cort Pomeroy's goal as he and David Bartle executed a very nice two on one breakout. NA's offense was fairly well bottled up over the final six minutes as

David Curtis, Paul Gilmartin, Earl Abdoo and Matt Shine handled the traffic in front of Greg Najjar very well. Greg ended the game with 19 saves. Andover is now unbeaten over its last nine games.

Andover 3 - Lynnfield 3

The unbeaten streak reached 10 games on Sunday when Andover played Lynnfield to a very disappointing 3-3 tie. Andover let a 3-0 lead slip away over the final seven minutes, as the officials called three

Stop Massachusetts from becoming a one-party state.

Massachusetts is becoming a one-party state. Of the 40 state senators on Beacon Hill only 6 are Republicans.

This creates an imbalance in our legislative process. It takes 20% of the senate membership to get legislation up to a roll call vote. The Democrats have an easy time meeting that requirement. The Republicans a tough time. This is a serious situation that allows your legislators to go unrecorded — and unanswerable to you — on many important issues. So it affects everyone, regardless of party ties.

You can do something about it. You can keep one of those Republicans in office. Bob Buell. He's a hard working state senator who needs your vote as much as you need him in office.

Re-elect Bob Buell, a senator who's willing to stand up and be counted. And help keep Massachusetts from becoming a one-party state.

Annual Bike Race Is Nov. 1.

The Department of Community Services will be sponsoring its fifth annual Bike Race on Saturday, Nov. 1.

Cancelled in the spring due to a low pre-registration and inclement weather, the 10-mile race starts at the Harold Rafton Reservation on High Plain Road in Andover. The route consists of two five mile loops that run from High Plain Road to Forest Hill Drive, to Chandler Road, to Greenwood Road, and back to the starting line on High Plain Road.

Competition will take place in six categories: 1) First Male Finisher; 2) First Female Finisher; 3) First 3-speed (or less) Finisher; 4) First 14 years and under Finisher; 5) First 40 years and over Finisher and 6) First High School Finisher.

Trophies and medals will be awarded to

the winners and runner-ups in each category, while ribbons will be given to third and fourth place finishers. Racers may register for the competition at the DCS office or at the starting line on the day of the race. Competition gets underway at 10 a.m. Post entries begin at 9:15 a.m. Registration forms and race route maps are available at Andover junior and senior high schools, the Sport Shop, the Hockey Shop, Moor and Mountain, the Cycle Shak, Whitworths Sporting Goods, Wheels 'n Reels, Victor Hugo's, the Lowell Pro Shop and the DCS office on Bartlet Street. A minimum of 25 racers must be pre-registered in order for this event to take place. In case of inclement weather, the race will be held on Saturday, Nov. 8. For additional information, individuals should contact the Community Services office.

Andy 500 Rescheduled

Due to inclement weather that resulted in a slick and dangerous track, the Department of Community Services' "Andy 500" soap box derby was postponed last week and re-scheduled for this Saturday, Oct. 25. The event will begin at the same time — 11 a.m. Registration will get underway at 9:30 a.m. For additional information, individuals should contact the DCS office located in the Stowe School.

Hockey

penalties on Andover to none for the much more physical Lynnfield. Andover goalie Kenny Young deserved a better fate as he turned in an excellent effort.

David Bartle again scored Andover's first goal, again midway through the first period and once again on a set up by linemate Mosa Kaleel. Andover had other chances in the period, particularly on two good shots by David Curtis, but Lynnfield's goalie consistently came up with good saves. With Andover's defensive corps playing solidly in the period, notably

Matt Shine and Jamie O'Brien, Lynnfield could come up with only four shots on net.

The Bartle-Kaleel combination clicked again early in the second period, extending Andover's lead to 2-0. David was credited with his second goal and Mosa with his second assist. Linemate Cort Pomeroy managed to get three good shots off but was frustrated by Lynnfield's goalie. Georgie Heseltine then scored what was apparently Andover's third goal off a nice pass from David Young, but the referee disallowed it, claiming that the puck was kicked in. Lynnfield's offense in the period was not much better in this period than it was in the first as they managed only five shots on net. The play of Andover defensemen Paul Gilmartin, Earl Abdo, and Timmy Donovan had a lot to do with Lynnfield's inability to generate shots or goals.

Andover seemed to have things sewed up when Mosa Kaleel scored on alert goal off a Lynnfield mixup deep in their zone to make it 3-0 at the 8:50 mark of the final period. On their next shift forwards Stevie Donovan and Mark Neaves helped kill off a penalty with good forechecking but then the roof fell in. Lynnfield scored three times in a space of less than three minutes, twice on powerplays, to tie things up at 3-3. The result was very frustrating for Andover because they played well enough to win for more than two and one half periods. The Pee Wee A's next game will be on Saturday, October 25, against Cambridge in the Wilmington Arena. The A's record now stands at 7W-2L-3T.

Men's Hoop League To Begin

The Department of Community Services Men's Basketball League begins another season on Thursday, Nov. 6. The league, which is made up of two divisions, provides those who reside or work in Andover the opportunity to compete in basketball through the month of March. All games are played on Thursday evenings. The junior division (ages 19-32) plays at the West Junior High School. The senior division (ages 33 and over) competes at the High School. Last year, two teams took their respective divisions' regular season and play-off crowns. In the junior circuit, the champion Sport Shop figures to be just as tough as last year despite the loss of their big center Jim Beattie.

In the senior division, Frank Monette's Panthers will be going for their fourth

regular season and play-off sweep in as many years. However, the older circuit becomes more balanced each year and the Panthers will have their work cut out for them before they return as champs.

Individuals interested in participating in either division of the league should plan on attending the tryout at the West Junior High School gymnasium on Wednesday, Oct. 29. Tryouts will take place from 7-8 p.m. Team representatives looking for players will be on hand to select players for their teams. Currently, the junior division has space for one complete team, while the senior division has a variety of roster spaces on a number of squads. For additional information on the tryouts or league play in general, individuals should contact the DCS office.

Race To Benefit Heart Fund

Local cycling enthusiasts are advised not to put their bikes away for the season just yet.

They will once more have the chance to test their endurance over an 18-mile course in the "Heart Pacer Bicycle Challenge" Sunday, Nov. 9, starting at 10 a.m. at the Salem (Mass.) Common. The event is being sponsored by Medtronic Pacemakers, Inc., and will be hosted by CCB International Bicycle Racing Club. Race Director, John Ireland, of CCB International has announced that the challenge is open to anyone who is interested in cycling for fitness, fun, and transportation. All funds raised would be donated to the American Heart Association.

The challenge route begins at Salem Common and proceeds along Bridge Street into Beverly. It then winds its way through Beverly Farms along scenic Rt. 127 to

Manchester, and ends back at the Salem Common.

Free T-shirts will be given to the first 200 entrants, and a Schwinn Le Tour Bicycle will be presented to the top fundraiser. Various merchandise prizes will be given to other fundraisers and trophies will be awarded to the first place finisher in each of the eight categories.

The entry fee has been set at \$5 for adults and \$3 for children under 17. Entrants are encouraged, but not required to obtain sponsor donations.

For further information call the American Heart Association, 79 No. Main St., Andover.

New Degree Program In Sports-Fitness

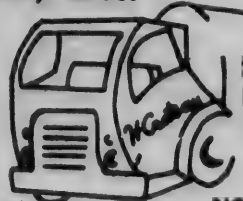

A newly-approved bachelor of science degree program in sport, fitness and leisure studies will be available to part-time students in Salem State College's Division of Graduate and Continuing education during the January 19 - May 12 session.

The new degree includes concentrations in athletic training, coaching and athletic administration, fitness and leisure studies, health and physical education. The first course offerings in the new degree during the spring semester will include Standard First Aid with CPR (SFL210) and Organization and Administration of Physical Education Sport and Fitness Programs (SFL209) on Tuesday evenings; and Water Safety Instructor (SFL182) two evenings a week starting in April.

Further information or registration details may be obtained from the Division of Graduate and Continuing education, Sullivan Building, Salem State College, Salem, MA 01970.

Prof. Bette Bailey of Ipswich is chairman of the Department of Sport, Fitness and Leisure Studies, which now has 16 faculty members and offers more than 100 courses in its day and evening programs.

There is now a perfectly acceptable alternative to buying a Saab.

Lease one.

Depending on your financial status, your tax status and the business you're in, leasing a Saab may well be a more intelligent alternative than buying one (an intelligent enough idea in its own right).

For further details, we recommend a visit to our Saab dealership.

Of course, there are other car dealers who could give you an intelligent rundown on the pros and cons of leasing versus buying.

But we give you an intelligent car to go with it.

Popular Drama Returns

"And Never Said A Word," last season's highly acclaimed drama based on a love story by Nobel Prize-winning author Heinrich Boll, returns by popular demand for a limited engagement, Tuesday, Nov. 11 through Saturday, Dec. 13, at the Suffolk Theatre in Boston.

Having played briefly this spring, "And Never Said A Word" is a moving and compassionate play that received unanimous praise from theatre-goers and critics. Set in postwar Germany, this uniquely staged and sensitively portrayed drama describes a day in the lives of a husband and wife struggling to maintain their love, and is similar in tone and theme to Fassbinder's "The Marriage of Maria Braun."

Director Kaleel Sakakeeny, the founder of Stage One Theatre Productions, is one of the earliest pioneers of alternative theatre and is Boston's premier director. Featured in this production are Boston performers Chris Beach, Mary Chalon, Wendy Flagg, and Peter Kovner.

This production of "And Never said A Word" was originally sponsored by the Goethe Institute of Germany and Boston.

"And Never Said A Word" will be performed at the Suffolk Theatre on Temple Street in Boston, at Suffolk University (directly behind the State House). Performances Wednesday through Saturday at 8:15 p.m., except Saturday, Nov. 22, when a 10 p.m. performance will replace the earlier ones.

Steamboat

The "S.S. Calliope" steamboat departs daily, every other hour beginning at 10 a.m., from the Museum of Transportation, 300 Congress St., Boston.

"Late Show" Premiers In Boston

The Late Show at the Boston Shakespeare Company premiers Oct. 24, at 11:30 p.m. This is a brand new series of special theatrical productions.

The Late Show opens tomorrow with the Pocket Mime, Boston's critically acclaim-

ed mime company, which has toured throughout North America, and during 1979-90, the company members were artists-in-residence at Northeastern University in Boston.

The Pocket Mime will be performing a number of familiar pieces from their repertoire, as well as trying out some new, more adult pieces. They will perform October 24, 25, and 31, and November 1 at 11:30 p.m., and Oct. 26 and Nov. 2 at 8 p.m.

On Nov. 7, The Late Show continues with

the Boston Shakespeare Company's "Secondstage" production of Athol Fugard's The Island, a searing drama about an individual's search for freedom. It is a play about injustice, and universal human class suffering. The Island is directed by the Boston Shakespeare Company's Henry Woronicz, and stars Woronicz and actor Mark Cartier. The Island will be performed November 7, 8, 28, and 29 at 11:30 p.m., and November 9 and 30 at 8 p.m.

Ticket Booth

The Bostix Ticket Booth at the Faneuil Hall Marketplace offers tickets and information on more than 100 theaters, music and dance performances, historical sites and tourists attractions. (Some tickets are half price on the day of performance.) Hours: Tuesday through Saturdays, 11 a.m. to 7 p.m.; Sunday, noon to 6.

Bradford Play In Festival

The fall drama production at Bradford College, "Spring's Awakening," has been entered in the 13th annual American College Theatre festival. The play is to be staged Thursday, Friday, and Saturday, October 30, 31, and Nov. 1 at 8:15 p.m. in Denworth Hall.

Critic/evaluators from the New England region will be on hand to judge the production with winners attending regional festivals. Finalists from across the country will then appear in a showcase of American college theatre at the Kennedy Center in Washington, D.C.

The set used in "Spring's Awakening," was designed by a Bradford student and is also being entered in the competition for an award in design excellence. Bradford sophomore Suzanne Kaufman of Salem, N.H. last year was chosen to compete with nominees from 40 other schools for the festival's Irene Ryan Acting Award.

"Spring's Awakening," written by Frank Wedekind, features a cast of 19 players and is described as a "children's tragedy," a candid critique of societal hypocrisy and moral repression viewed from the perspective of young adults.

Tickets may be purchased at the Bradford College Bookstore, Kingsbury Avenue, or at the door on the nights of the performances.

Scottish Tour For Seniors

On Thursday, Oct. 23 at 2 p.m., representatives of Garber Travel will present a travel program at the Andover Senior Center at 11 Essex St. The program will provide a general view of Scotland as seen through the eyes of visitors from various parts of the world. The film shows the beauty of the countryside, the variety of things to see and do, and the warm welcome given to visitors.

This program is the second in a series to be presented by Garber Travel in conjunction with the Andover Council on Aging's planned tour of England, Ireland, Scotland and Wales in the Spring of 1981.

Demonstration

Bill Hutchinson will offer a free demonstration of movement re-education based on the unique work of Dr. Moshe Feldenkrais. The demonstration, which is open to the public, will take place Monday, Oct. 27, 7 p.m., at the Sue Luby Body Control Center, 27 Barnard St. in Andover. These sequences are designed to sharpen an awareness of one's bodily and psychological functions, resulting in movement patterns that respect each individual's unique structure. This in turn helps to relieve and to prevent pain, and to improve posture, flexibility, coordination, and vision. The movements are for those seeking to enhance their potentiation — from golf and tennis to yoga and dance, or simply learning to relax or breathe better.

Bill Hutchinson has a Ph.D. in anthropology.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue of the Power of Sale contained in a certain mortgage given by CHARLES L. DAVIDSON to the COMMONWEALTH BANK AND TRUST COMPANY dated May 2, 1979 and recorded with Essex County North District Registry of Deeds in Book 1369, Page 251 of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at 10:00 a.m. November 6, 1980 at 125 Main Street, Andover, Massachusetts, all and singular the premises described in said mortgage.

To wit:

FIRST PARCEL: Bounded and described as follows:

Beginning at a point in the westerly line of Main Street which is sixty-five and 24/100 feet north of its intersection with the northerly line of Morton Street; thence northerly by said Main Street seventy-six and 5/10 feet to the south line of a passageway known as Chapman Court; thence westerly at right angles with said Main Street and by the southerly line of said Chapman Court one hundred one and 2/10 feet to other land of one Agnes Davidson, now or formerly being the second parcel herein described; thence southerly by other land of said Agnes Davidson nineteen and 5/10 feet more or less to the northeast corner of land now or formerly of one Sanborn; thence further southerly by said Sanborn's land and by a fence thirty-three and 7/10 feet to land now or formerly of one Chapman; thence easterly by said Chapman's land thirty-seven and 9/10 feet; thence southerly by said Chapman's land twenty and 9/10 feet; thence again easterly by said Chapman's land twelve and 75/100 feet; thence southerly by said Chapman's land four feet; and thence easterly again by a fence by said Chapman's land forty-nine feet to Main Street at the point begun at, the interior angle at the southeast corner of the premises begin 90°47'.

Said premises are subject to an easement to Rose A. Chapman as set forth in an instrument dated January 4, 1928, recorded with North District of Essex Registry of Deeds, Book 537, Page 272, insofar as it is still in force.

SECOND PARCEL: Bounded and described as follows:

NORTHERLY one hundred fifteen and 3/10 feet by land now or formerly of Walker as the fence stands; **EASTERLY** eighty-six and 6/10 feet; partly by land of Rose A. Chapman, now or formerly partly by a way known as Chapman Court, and partly by other land now or formerly of the said Agnes Davidson, being the first parcel herein described; **SOUTHERLY** One Hundred and 5/10 feet by land now or formerly of Sanborn as the fence stands; and **WESTERLY** ninety-five feet by land now or of one Draper; all of said measurements being more or less.

The above described two parcels are conveyed subject to the right of way in the said Rose A. Chapman and her heirs and assigns in a strip of land four feet wide running westerly from Main Street for a distance of forty-nine feet, the southeast corner of which way is at a point in the west line of Main Street identical with the southeast corner of the premises first above described, the said way to be kept open for the benefit of the adjoining owners on either side thereof for all purposes of a private way.

THIRD PARCEL: Bounded and described as follows:

SOUTHERLY one hundred one and 2/10 feet by the first parcel herein described; **WESTERLY** nine feet more or less by the second parcel herein described; **NORTHERLY** one hundred one and 1/2 feet more or less by land now or formerly of Rose A. Chapman, the southerly line being parallel with and nine feet distant north from the first line herein described; and **EASTERLY** nine feet by Main Street.

Said premises are subject to the right of the adjoining owners to use the same as a common passageway for vehicles and foot passengers to and from Main Street; and subject to the right of the owners of the premises north thereof to enter the sewer running through said way as described in a deed from Rose A. Chapman to the said Agnes Davidson, dated January 4, 1928, recorded with said Registry of Deeds, Book 537, Page 273; and subject to an easement as set forth in an indenture between Leon and Agnes Davidson, husband and wife, in her own right, and Rose A. Chapman, dated August 9, 1930, recorded with said Registry of Deeds, Book 554, page 330, insofar as the same is still in force.

Being the same premises conveyed to the Mortgagor by Deed of John L. Davidson dated August 16, 1978 and recorded in Essex County North Registry of Deeds, Book 1348, Page 119.

TERMS OF SALE: Seven Thousand Five Hundred and 00/100 (7,500.00) Dollars will be required in cash, certified check or bank check, by the purchaser at the time and place of the sale and the additional terms for

payment of the balance or the whole will be announced at the sale. Other terms to be announced at the sale.

proval," selectman Norman Gammon pointed out.

Chairman James Abramson repeated his opinion, stated at an earlier meeting, that town support of the plan will probably hinge on the cost to the town.

The preservation plan could win town support if it can be shown that it would cost the town less, in the long run, to preserve the farm, than to allow homes to be built on the land and provide them with utilities.

No more than 20 homes could be built on the land, the town manager said.

The selectmen agreed with the Conservation Commission that it would be desirable to save the farm, if possible.

"There are only a few farms left in Andover," Pustell noted. "We'd like to see all of them stay. But so far this is the only one we've been petitioned on."

"I would like to help (Lundgren)," agreed Selectman Susan Poore. "Personally I'd like to save all the farms in Andover. But I don't know if the town will go along with it."

Lundgren said he was encouraged that the selectmen voted to present the plan to the spring town meeting.

LEGAL NOTICE

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the POWER OF SALE (and under decree of the Land Court for the Commonwealth of Massachusetts Case No. 99880) contained in a certain mortgage given by JEAN W. deCONSTANT and JAYNE G. deCONSTANT to BAY STATE NATIONAL BANK, a corporation duly established under the laws of the Commonwealth of Massachusetts, having its usual place of business at Lawrence, Essex County, Massachusetts, dated September 24, 1976 and recorded with the North Essex Registry of Deeds in Book 1292 Page 183, of which Mortgage the undersigned is the present holder, for breach of the conditions of said Mortgage and for the purpose of foreclosing, the same will be sold at Public Auction at eleven o'clock A.M. on the seventh day of November A.D. 1980, on the mortgaged premises at 6 Carriage Hill Road, Andover, Massachusetts, all and singular the premises described in said mortgage,

To wit:

A certain parcel of land with the buildings thereon situated in Andover, Essex County, Massachusetts and shown as Lot #19 on plan entitled "Subdivision and Acceptance Plan, Carriage Hill Estates, Wyncrest Development Corporation, C. J. Kitson, Corp., Engineers, dated April 6, 1962", which plan is recorded with North District of Essex Registry of Deeds as Plan #4716, bounded and described as follows:

NORTHWESTERLY by Carriage Hill Road in a curved line, sixty-six and 67/100 feet;

NORTHEASTERLY in two courses by Lot #20, seventy-five and 50/100 feet and one hundred forty-one and 14/100 feet;

SOUTHEASTERLY by land of Wyncrest Development Corp. one hundred fifty feet;

SOUTHERLY by Lot 21, eighty-eight and 38/100 feet; and

SOUTHWESTERLY by Lot 18, two hundred thirty and 20/100 feet.

All as shown on said plan and containing 34,515 square feet according to said plan.

Being the same premises conveyed to us by deed of Wyncrest Development Corporation dated September 23, 1965 and recorded with said Registry of Deeds in Book 1044, Page 250.

Said premises will be sold subject to any and all unpaid taxes, tax takings, outstanding tax titles, water charges or liens and other municipal liens or assessments, and all other enforceable liens and encumbrances of record, if any, which are entitled to precedence over said mortgage.

Terms of Sale: A deposit of Seven Thousand Five Hundred and 00/100 (\$7,500.00) Dollars will be required to be paid in cash, or bank cashier's or treasurer's check, or certified check, by the purchaser at the time and place of said sale. The balance is to be paid in cash or by certified check within twenty (20) days thereafter to be deposited in escrow with the Mortgagee at 238 Essex Street, Lawrence, Massachusetts, pending approval of said sale by the Land Court. Deed to be taken within ten (10) days from the date of approval of said sale by the Land Court.

Other terms, if any, to be announced at the sale.

Contests with particular local interest are expected to bring a good percentage of Andovers 11,653 eligible voters to the polls in Tuesday's state election.

The Gillette Toiletries Company, one of Andover's newest industries, remained its top taxpayer, according to a list compiled by the board of assessors.

The West School Building Committee, meeting Tuesday night, negotiated with the general contractor and gained for the town a \$23,000 plus savings. The committee was able to save on several items as it reviewed the construction schedule of the now nearly completed school.

Phillips Academy students presently are at work expanding the playground possibilities of two of Andover's public elementary schools. In a community service program at South school, 120 students are developing the recreational and educational possibilities of the woods behind the elementary school, while another project is in the planning stages at the Bancroft School.

The school administration laid out a time schedule for the new school construc-

tion necessary from 1970-1980, and got school committee endorsement for the principal of "buying space with portable walls" instead of specialized construction that commits a room or area forever to one use.

TOWN OF ANDOVER PUBLIC HEARING

In accordance with Chapter 40, G.L., Section 5, notice is hereby given that the Andover Planning Board will hold a Public Hearing Wednesday, November 5, 1980, 11 Essex Street, second floor, at 8:00 P.M. to consider the following amendment to the Zoning Bylaw:

To see if the Town will vote to amend the Zoning Bylaw by

I. creating a new class of zoning district to be designated as Townhouse Cluster District by adding to Section III, A, 1 the following:

TC — Townhouse Cluster

II. inserting after Section VI, M, Section VI, N, as follows:

N — Multi-Dwelling District

TC — Townhouse Cluster

1. GENERAL OBJECTIVES

The TC District is intended to allow greater flexibility in land use planning for the development of tracts of land in terms of density preservation of open spaces, utilization of natural features, provision of municipal services and providing a variety of housing types and styles; to ensure that site development plans will be presented to the Town Meeting in connection with a proposal to rezone a tract of land to TC; and to enable the Planning Board to require adherence to such site development plans in the granting of a special permit as hereinafter described.

2. COMPLIANCE WITH SCHEDULE OF DIMENSIONAL CONTROLS

Any development permitted as a TC district shall comply with the Schedule of Dimensional Controls for TC district as follows:

Minimum set backs from exterior lot lines:

Front60 feet
Side and Rear50 feet

Minimum set back from interior streets; 25 feet
Minimum distance between buildings; 30 feet

Interior drives within a TC development shall be designed to such street standards as the Planning Board may require in accordance with its Rules and Regulations governing the subdivision of land, except that a minor street shall serve up to twenty dwelling units.

3. COMPLIANCE WITH OTHER RULES AND REGULATIONS

Nothing contained herein shall in any way exempt a proposed subdivision in a TC district from compliance with the rules and regulations of the Planning Board, nor shall it in any way affect the right of the Board of Health and of the Planning Board to approve, with or without modifications, or disapprove a subdivision plan in accordance with the provisions of such rules and regulations and of the subdivision control law.

4. TOWN MEETING PRESENTATION

Every proposal presented to the Town Meeting for rezoning land to a TC zone shall include a site development plan which shall show in a general manner, drawn to scale, the proposed location, for proposed building and other structures, proposed locations, design and dimensions of streets, drives, parking areas and other paved areas, and the open space. The site development plan shall show the proposed dwelling unit density, and the extent of open space or shall be accompanied by a tabulation of the same. A copy of the site development plan, which shall be deemed to include any literature and commitments, authorized by the developer which has been presented to Town Meeting shall be filed with the Town Clerk before the vote and shall be part of the site development plan.

5. PARKING SPACE

There shall be provided at least 1½ parking spaces per dwelling unit, located in parking lots or in garages or under or within buildings which contain dwelling units.

6. PERMITTED HOUSING TYPES

Permissible housing types include all single and multiple-occupancy housing types used for human occupancy. Any type of ownership may be permitted.

7. OPEN SPACE REQUIREMENTS

At least 25 per cent of the total area or two acres of such tract, whichever is greater, shall, except as provided below, remain unbuilt upon and set aside for conservation, outdoor recreation or park purposes or buffer areas. Such open land shall be in addition to required front, side and rear yards and may be in one or more parcels of a size and shape appropriate for the intended use and may be conveyed either to and accepted by the Town or its Conservation Commission, to a legal association comprised of the homeowners within such tract, or to a non-profit organization the principal purpose of which is the conservation of open space. Such open land shall be included in the total tract area for the purpose of computing dwelling unit density of the tract. When such open land is conveyed to persons other than the Town of Andover, the Town shall be granted an easement over such land sufficient to insure its perpetual use as conservation, recreation or park land or buffer area. A maximum of 20 percent of such open land may be devoted to paved areas and structures used for or accessory to active outdoor recreation and consistent with the open spaces uses of such land.

8. PLANNING BOARD REPORT TO TOWN MEETING

The Planning Board, in its report to the Town Meeting, required by law, shall include its opinion of whether or not the proponent has prepared sufficient data to give reasonable assurance that the development will conform to the site development plan with respect to the location, layout and design of proposed buildings, drives, and streets, to the density, type and design of floor plans and dwelling units, and with respect to the anticipated selling price or rental (as the case may be), if included in the presentation to Town Meeting.

9. SPECIAL PERMIT APPLICATION REQUIREMENTS

The application to the Planning Board for a special permit under this section shall be accompanied by the following plans and supporting materials:

a. Plan of the tract showing topography, existing streets and structures within and contiguous to the tract.

b. Where a subdivision of land is involved, a preliminary subdivision plan, which may be combined with the plan required under the preceding paragraph.

c. Site development plans showing the proposed grading of the tract and the proposed locations, dimensions, materials and types of construction of streets, drives, parking areas, walks, paved areas, utilities, open space, planting, screening, landscaping and other improvements and the locations and outlines of proposed buildings.

d. Preliminary architectural drawings for building plans including typical floor plans, elevations and sections.

e. A tabulation of proposed buildings by type, size (number of rooms, floor area), ground coverage and summary showing the percentages of the tract to be occupied by buildings, parking and other paved vehicular areas, and the amount of open space.

f. An order of conditions issued by the Conservation Commission or a determination by the Conservation Commission that conditions are not necessary.

10. DIFFERENT SITE DEVELOPMENT PLANS

In the event that a developer proposes to develop a tract of land in a TC District according to site development plans which the Planning Board determines are substantially different from the site development plans presented at the time the Town Meeting voted to include such land in the TC District, such different site development plans shall first be presented to and receive the approval of the Town Meeting by a vote of two-thirds of those present and voting, prior to any action thereon by the Planning Board.

11. SPECIAL PERMIT PROVISIONS

The Planning Board may grant a special permit for the development of any tract of land in a TC district, based on a determination that the proposed development will be consistent with the development as approved by the Town Meeting and consistent with the general objectives of the TC District development, and subject to the following standards:

a. The special permit shall incorporate by reference building design and site development plans presented to the Town Meeting. The Planning Board may, in its discretion, permit deviations from the site development plans presented to the Town Meeting, provided, however, that the Board shall not permit any increase in the dwelling unit density. In no event shall dwelling unit density exceed four units per acre.

b. The Planning Board may permit the construction and use of facilities such as a community center or recreation center, including but not limited to swimming and tennis facilities, primarily for the use of residents of the tract, if the Board determines that the inclusion of such facilities would be appropriate by reason of such factors as the size of the tract, the number of its residents and its geographical location.

c. In granting a special permit, the Planning Board shall impose as a condition thereof that the installation of municipal services and construction of interior drives within the TC development shall comply with the requirements of the Planning Board's Rules and Regulations Governing the Subdivision of Land, and may impose such additional conditions and safeguards as public safety, welfare and convenience may require, except that a minor street shall be able to serve up to twenty dwelling units.

12. AMENDMENT AND REVISION OF SPECIAL PERMIT

a. Amendment

The Planning Board upon application by the developer and after a public hearing, may amend a special permit previously granted, but only in accordance with the standards hereinbefore set out.

b. Revision

Subsequent to a special permit granted by the Planning Board under the provisions of this section, minor revisions may be made from time to time in accordance with applicable laws, by-laws and regulations, but the development under such special permit shall otherwise be in accordance with the submission accompanying the developer's application for a special permit.

13. DENIAL OF SPECIAL PERMIT

The Planning Board may deny any application for special permit hereunder and base its denial upon:

a. A failure to meet the standards established by this section of the By-Law.

b. A finding that the proposed development does not substantially conform to the plans for the development of the tract presented to the Town Meeting in connection with the proposed rezoning of the tract to TC.

To see if the Town will vote to amend the Zoning By-Law by changing the Zoning Classification of two certain parcels shown as Parcels #4 and #4G on Assessor's Map 93 from Single Residence B to TC (Townhouse Cluster).

Decor Enterprises, Inc. — Home Improvement Services

Save energy — save \$\$\$\$\$! The average home owner can realize substantial savings by having insulation and/or replacement windows installed by Decor Enterprises, Inc., 77 Main Street, Andover. Contact them for any and all home improvement services.

Make your appointment now and have your work done before the long, cold winter arrives. One of 6 Decor representatives with up to 15 years experience will give you a full slide presentation in your own home, comparing all insulation materials, showing how they arrived at their own top quality product, the result of years of research.

See first hand how proper insulation in attic and walls can

offer you energy savings (and dollar savings) winter, summer, every season of the year. Decor Enterprises features blown-in insulation that will lower your heating costs at least 30% and make your home eligible for a tax credit of up to \$300. Decor has its own trucks, own equipment and own help to do the complete job. Replace loose, drafty wooden windows with snug-fitting all aluminum windows and enjoy the added conveniences of cleaning from the inside, never painting or replacing putty.

Decor Enterprises also does vinyl or aluminum siding and trim and features some beautiful new colors. Siding, combined with blown-in insulation, offers

real comfort and savings in any new or older home. And right now, Decor Enterprises is offering a really good price on a/siding/insulation package that gives an R-13 rating, as compared to an R-2 or R-3 with siding alone.

Roofing work is handled in the same professional way, featuring an exclusive fiberglass roof and a unique method of application for a more durable finished roofing job. Decor also installs seamless aluminum gutters.

Financing on all work is available with 4 months before first payment is due. Hundreds of local families have had work done by Decor Enterprises. Ask your neighbors about Decor — then call them today at 475-4478.

Andover Meat Shoppe — Fine Choice & Prime Meats

The finest Choice and Prime meat sold anywhere are available right in the center of Andover — at Andover Meat Shoppe, 32 Park Street, rear, next to Andover Lanes bowling. Stop in soon and discover what you've been missing — in quality meats and in good old fashioned service by butchers who care.

Andover Meat Shoppe was opened on June 1st of this year by Vinnie Doherty, an Andover resident of 15 years, and Damien J. Turbini. They had both had many years of experience in the Quincy Market section of Boston supplying the finest hotels, restaurants, hospitals and other institutions and decided to offer to the public in this area the fine quality meats that these places enjoy.

They carry only Choice and Prime beef, as well as veal, lamb, pork, poultry and can get from Boston on order fresh calves liver, sweetbreads and other specialty items. Also fresh Deli Breads, all the ryes and your favorites, are delivered fresh daily.

An old fashioned concept of service by your local butcher is offered at Andover Meat Shoppe. Boning is done free, roasts tied to order, etc. and all this is done right in front of you at their open cutting board. You save because they buy in bulk, and cut to customer's specifications. Also some pre-cut meats in the case for your convenience. Senior citizens or small families can buy 1 or 2 chops; buy as much or as

little as you wish. An added PLUS — Damien is a cook at a fine restaurant and will share his recipes with you and help you with proper cuts and preparation ideas for your own recipes.

Prices are competitive, quality is of the finest, and service (a premium not found frequently today) is the by-word at Andover Meat Shoppe. They even offer free delivery, in Andover, Tues., Wed., and Thurs., minimum \$25 order. Stop in and get acquainted with Vinnie and Damien. Discover the joy of eating Choice and Prime meats again! Turn at Town Hall, to 32 Park Street rear, next to bowling lanes. Open Tues., Wed., Sat. 9-6 Thurs. and Fri. 9-8. Tel. 470-1120.

Taken on execution and will be sold at Public Auction on Thursday, November 13th A.D., 1980 at 10 o'clock A.M. at my office, Suite 408, One Salem Green, Salem, Mass. in said County of Essex, all the right, title and interest which the within named Judgment Debtor, Charles Burzlaff and Josette Burzlaff, had (not exempt by law from attachment or levy on execution) on the 4th day of April A.D., 1980 at no minutes past eight o'clock A.M. being the time the same was attached on Mesne Process in and to the following described registered land held under Certificate of Title No. 7823, Book No. 52, page 497, to wit:

A certain parcel of land situated in Andover in the County of Essex and said Commonwealth bounded and described as follows:

Northeasterly by the southwesterly line of Algonquin Avenue one hundred fifty (150) feet.

Southeasterly by lot fifty one (51) as shown on plan hereinafter mentioned, two hundred seventeen and 70/100 (217.70) feet.

Southwesterly by land now or formerly of Andrew S. Pendleton one hundred fifty and 46.100 (150.46) feet and

Northwesterly by lot forty nine (49) on said plan two hundred fifteen and 59/100 (215.59) feet.

All of said Boundaries are determined by the Court to be located as shown on Plan No. 27247C Sheet 3, drawn by Clinton Goodwin, Surveyor, dated October 1, 1971, as modified and approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed with Certificate of Title No. 7242, Book 48, page 573, and being designated as lot fifty (50) thereon.

So much of the above described land as is included within the area marked "Lawrence Electric Company Easement" approximately shown on said plan is subject to easements as set forth in two grants made by James J. Abbott, et ux, to the Lawrence Gas and Electric Company one dated December 29, 1941, duly recorded in Book 649, page 59, and other dated February 1942, duly recorded in Book 649, page 335, as affected by an instrument dated July 20, 1957, duly recorded in Book 858, page 491.

There is appurtenant to the above described land the right to use all street, and ways shown on said plan for all purposes for which streets and ways are used the Town of Andover, in common with all others lawfully entitled thereto.

COMMONWEALTH OF MASSACHUSETTS PROBATE COURT

No. 283434

Essex, ss.

NOTICE OF FIDUCIARY'S ACCOUNT

To all persons interested in the estate of GEORGE A. STANLEY, JUNIOR late of Andover, in said County, deceased.

You are hereby notified pursuant to Mass. R. Civ. P. Rule 72 that the tenth, eleventh and twelfth accounts of PRISCILLA C. STANLEY as Trustee (the fiduciary) under the will of said deceased for the benefit of PRISCILLA C. STANLEY have been presented to said Court for allowance.

If you desire to preserve your right to file an objection to said accounts, you or your attorney must file a written appearance in said Court at Lawrence on or before the tenth day of November, 1980, the return day of this citation. You may upon written request by registered or certified mail to the fiduciary, or to the attorney for the fiduciary, obtain without cost a copy of said accounts. If you desire to object to any item of said accounts, you must, in addition to filing a written appearance as aforesaid, file within thirty days after said return day or within such other time as the Court upon motion may order a written statement of each such item together with the grounds for each objection thereto, a copy to be served upon the fiduciary pursuant to Mass. R. Civ. P. Rule 5.

Witness, ALBERT P. PETTORUTO, Esquire, First Judge of said Court, this eighth day of October 1980.

COMMONWEALTH OF MASSACHUSETTS LAND COURT DEPARTMENT OF THE TRIAL COURT

Case No. 100501

(Seal)

To Lorraine R. Johnson, of Hampton, in the State of New Hampshire; Town of Andover, a municipal corporation located in the County of Essex, and said Commonwealth; and to all persons entitled to the benefit of the Soldiers' and Sailors' Civil Relief Act of 1940 as amended: Andover Savings Bank, a duly existing corporation having an usual place of business in said Andover; claiming to be the holder of a mortgage covering real property in said Andover, numbered 51 Red Spring Road, given by Lorraine R. Johnson to plaintiff, dated May 9, 1977, recorded with Essex County (Northern District) Registry of Deeds, Book 1307, Page 499, has filed with said court a complaint for authority to foreclose said mortgage in the manner following: by entry and possession and exercise of power of sale.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 as amended and you object to such foreclosure you or your attorney should file a written appearance and answer in said court at Boston on or before the first day of December 1980, or you may be forever barred from claiming that such foreclosure is invalid under said act.

Witness, WILLIAM I. RANDALL, Chief Justice of said Court this ninth day of October 1980.

FIRE ALARM SYSTEMS

How good are home fire alarm systems? Any working fire-detection and alarm system gives protection. But for really complete protection in the average home you need a complete system. Fire alarm systems vary, but good ones have several points in common:

1. The components of the system are approved by Underwriters Laboratories or Factory Mutual Laboratories.
2. The system is served by its own electrical circuit.
3. The alarm is loud and centrally located. Ideally you should also have a loud alarm to rouse your neighbors.
4. Provision is made so that you can test the

system occasionally without building a fire in the house.

5. There are enough detectors to give complete coverage of the house. In other words, no matter where a fire breaks out, a detector would be close by to sense the rise in temperature and set off the alarm.

If there is anything we can do to help you in the field of real estate, please phone or drop in at THE HOWE AGENCY, 4 Pynchard Ave., Andover. Phone: 475-5100. We're here to help.

Reading Man Dies In Fall From Boat

A Reading man died Tuesday in a boating accident at Haggetts Pond.

Claude P. Klimas, 66, 113 Pine Ridge Road, Reading, who fell from a boat while fishing with Thomas E. Garside, 408 Lowell St., Andover, was pronounced dead on arrival at St. John's Hospital, Lowell after being taken from the pond shortly after 11 a.m.

The victim and Garside had been in the water for about an hour after their boat tipped over.

Garside, who was treated and released at Lawrence General Hospital, told Andover police that Klimas fell from the boat as he attempted to sit down while retrieving a tackle box.

The Andover man said that he attempted to pull Klimas back in the boat but his efforts resulted in the boat tipping over. Both stayed with the boat while attempting to maneuver it to a nearby island. Klimas went under once and Garside was able to get him back to the boat,

but a second time, he could not get to him. Garside managed to get to shore and went to an Evergreen Lane home where he summoned help from Andover police and fire departments.

The two men had been fishing previously, but Tuesday was the first time at Haggetts. Garside, who lives across the street from the pond, said Klimas may have succumbed to a heart attack, due to the cold water. The Andover man had a body temperature of 92 when he was brought to the Lawrence General Hospital.

Sewer Fees Increased

Sewer users' fees will increase by 40 percent next year, rising from the current fee of 40 cents per 100 cubic feet to 56 cents, with the selectmen's approval.

Although the selectmen will not formally vote on the increase until Oct. 27, last week they agreed with the town manager that it is past time to raise the sewer fees.

The fees have not been increased for five years. Town Manager Jared S. A. Clark told the selectmen.

The selectmen determined several years ago that all operating costs for sewers should be supported by sewer user fees. Clark explained, with only the debt service supported by tax revenues.

However, more than 20 percent of sewer operating costs are now supported by property tax revenues, he pointed out.

The higher revenues from the increased user fees should cover nearly 100 percent of the sewer operating costs, the manager said, while the debt service will continue to be supported by tax revenues.

Increasing the sewer fee is in line with the selectmen's two-year-old policy of making town departments as self-supporting as possible with the help of user fees.

In a recent report to the selectmen, Clark explained that several town departments — including Community Development and Planning, Community Services, and the Town Clerk's office — raised a total of \$1,077,131 from user fees and charges in 1976. That figure rose to \$2,022,272 in 1980.

"While expenditures for the group of departments has shown an increase by \$1,338,310, the user fees and charges absorbed 71 percent of this increase," the manager noted.

What Clark called "the most dramatic changes" occurred in Community Development and Planning and the town clerk's office.

While more than 67 percent of Community Development's costs were supported by property tax revenues in 1976, only 25.8 percent of the department's costs are now supported by tax revenues. Therefore, enlarging the staff of that

department "has not cost the taxpayers money," the manager pointed out.

The town clerk's office, which relied on taxes to cover 22.4 percent of its costs in 1976, is now self-supporting.

Community Services has also had a "meaningful change," Clark said, now relying on taxes for 69.4 percent of its costs, compared to 84.9 percent four years ago.
